Dear,

Invitation to Roundtable on *The Culture of Assessment in Higher Education*: Sydney, 18 September 2008

It is my pleasure, on behalf of the 2008 Faculty Scholars under the *Distributive leadership for learning and teaching* project, to invite you to our Roundtable.

The Faculty Scholars have selected a group of leaders in the field of teaching and learning in higher education, in the hope that you will take the time to hear about their projects and provide feedback on them.

The project is sponsored by the Australian Learning and Teaching Council (formerly the Carrick Institute) and this year's iteration involves Scholars from the University of Wollongong, La Trobe University and Flinders University.

The Roundtable, entitled *The Culture of Assessment in Higher Education*, will present the results of the Scholars' projects and provide opportunities for dynamic interaction between you and them on a range of assessment-related issues.

The aim of the Roundtable is to stimulate discussion on a range of issues to do with assessment of learning within universities including:

- Alignment between assessment and learning outcomes: definition and recognition;
- Alignment in practice: effecting change;
- Sustainable assessment: designing assessment that meets the needs of the present and also prepares students to meet their own future learning needs.

Your input in advancing thinking and research in this area would be highly valued. The Assessment Roundtable will be held:

9:30am – 5:00pm
Thursday 18 September 2008
Novotel Brighton Beach
Cnr. The Grand Parade and Princess Street
BRIGHTON-LE-SANDS, NSW 2216

Attendance at the Roundtable is free of charge, and morning tea, afternoon tea and lunch are provided. However, any travel or accommodation costs have to be borne by participants.

It would be greatly appreciated if you could respond to this invitation by Friday 8 August 2008. Responses can be emailed to Dominique Parrish at dom@parag.com.au or by phone 0407 934 295. On confirmation of your acceptance of this invitation further information on the Roundtable themes will be provided. If you have any queries regarding this invitation or the Roundtable please feel free to contact Dominique on the above email or contact phone number.

Yours sincerely
