

What do I need to Print

Student Card

When you enrol at the University of Wollongong you will be provided with a Student Card which is pre-configured to work with the printing facilities. If you wish to use the printing facilities you should take your student card to the Ground Floor of the Wollongong Campus Library to add value to the card to cover the costs of printing. BEAR Solutions Staff located in the Photocopying Room of the Wollongong Campus Library will be able to assist you with this.

Casual Card

If you do not have a Student Card, you can purchase a Casual Card from BEAR Solutions Staff located in the Photocopying Room of the Wollongong Campus Library. Casual Cards cost \$2.20. You will need to add credit to the card to cover the cost of printing. Credit can be added using the Card Cashiers located on all floors of the Library, or you can use the EFTPOS terminal in the Photocopying Room to transfer money from your bank accounts. All debit and credit cards EXCEPT American Express and Diners are accepted. Receipts are provided by the Card Cashiers in the Photocopying Room only. Lost or damaged cards should be reported to BEAR Solutions staff if available, or to Library staff.
