

Due to the very high demand to live@UOW for the **Autumn (Session 1) February 2010 intake**, new undergraduate applications to live @ the following UOW residences will be closed from 22 December 2009:

- Campus East
- Weerona College
- International House
- Keiraview
- Kooloobong
- Gundi
- Graduate House
- The Manor

**(Please note, postgraduate applications and applications for Rydges Hotel are still being accepted).**

Other accommodation options are available, and these include:

- Living @ Rydges Hotel. In 2010 [Rydges Hotel](#) will be offering 4 star hotel accommodation to students. Rydges is located near the city centre of Wollongong. Students have access to convenient transport to the University via the free Gong shuttle. The trip is approximately 10 minutes. Rydges Hotel is a commercial operation and is not managed by the University of Wollongong, however Accommodation Services will be providing a student leader at Rydges Hotel to oversee student wellbeing.

If you have already applied, please contact [living @ UOW](#) to update your application or preferences to Rydges - there is no need to apply again. If you have not already applied please proceed to the [Online Application](#) through the UOW Accommodation Portal.

- Book temporary accommodation at Keiraview Accommodation for the first few weeks of arrival by emailing [Keiraview@uow.edu.au](mailto:Keiraview@uow.edu.au). Please be sure to include your arrival dates and how long you would like to stay. The staff at Keiraview can help you with temporary arrangements.
- Consider private, rental or share accommodation in the Wollongong area. Accommodation Services offers housing assistance to students seeking rental accommodation. Information can be found on the Accommodation Services [Private Accommodation](#) website, by attending regular seminars that will be held in January or by speaking directly to the [Housing Officer](#).
- Consider Rydges Hotel for Session 1 and apply to live @ UOW for Session 2. This can be done by [applying](#) online via the Accommodation Services website for Session 1 + 2 and listing Rydges as the first preference for session 1.

We hope that the above information helps you with your living arrangements for the start of the Autumn Session in 2010. Please feel free to contact [accom\\_services@uow.edu.au](mailto:accom_services@uow.edu.au) if you have any further queries in relation to your application.

***Accommodation Services IS accepting applications to live @ UOW in all of the residences for Spring (Session 2) July intake 2010.***
