

UNIVERSITY OF WOLLONGONG LIVING

Mr Fiore Costa is the Assistant Student Residence Manager for both International House and Kooloobong. Fiore has extensive experience both living and working in student accommodation holding a range of Student Leader roles before obtaining the Assistant Student Residence Manager position in Accommodation Services in late 2011.

Fiore is enthusiastic about the unique experience living in university residence provides to students. He has observed the friendships that are formed and kept for a lifetime.

The role of Assistant Student Residence Manager has Fiore living on site at Kooloobong where he is able to provide support and assistance to the community. Fiore is passionate about being able to help people from all backgrounds flourish in a student residence and he enjoys being able to provide positive leadership to those he interacts with.

Volunteering for the local fire fighting brigade at Mt Keira provides Fiore with the ability to merge his passion for assisting those in need whilst also supporting the local Wollongong community.

Recently Fiore graduated with an Engineering Degree which has provided him with first-hand experience in the demands a higher education at UOW. This allows him to relate with students facing a range of sensitive and complex issues during their time as a university student.

Fiore's interests are broad and wide ranging, varying from activities such as fly fishing, reading and training bonsai through to more rigorous actives such as cycling, playing football, soccer, and hiking.
