The North Gong shuttle connects train travellers and residents of North Wollongong and International House directly with the University. Route 9 operates anti-clockwise around the Ring Road while Route 9N runs directly between the station and the UOW Bus Terminus on Northfields Ave.

Frequent buses are timetabled throughout the day matched to meet trains wherever possible. The service operates weekdays from 7:30 am to 9:45 pm throughout session and exam periods, and on a reduced timetable at other times of the year.

Note that all UOW shuttle buses are now the same colour, including the GK Shuttle service which does not go to North Wollongong from 7:30 am to 9:45 pm throughout session and exam periods, and on a reduced timetable at other times of the year.

 debt that all UOW shuttle buses are now the same colour, including the GK Shuttle service which does not go to North Wollongong Station, so keep an eye on the destination signage and choose the 9 or 9N to get to the Station.

uow.edu.au/transport
In 2016 the GK Shuttle has been expanded to travel both anticlockwise and clockwise on an improved route. The GK Shuttle connects the Wollongong Campus with Keiraville, Gwynneville and Wollongong. Buses stop close to Weerona College, Keiraview, Marketview, Wollongong CBD, Wollongong Station and the Hospital.

The GK-c shuttle runs clockwise all day from 08:00 to 22:00 on weekdays during session and exam periods. It operates from the bus terminus on Northfields Ave.

The GK-a shuttle runs anti-clockwise around the route, at peak times (07:30 – 10:15 and 15:45 – 19:15) of those same days. It stops on the southern side of Northfields Ave, opposite the bus terminus.

Note that all UOW shuttle buses are now the same colour.
