Teacher Evaluation Student Questionnaire

The purpose of this questionnaire is to provide the teacher of this subject with feedback from students about his or her teaching effectiveness. The teacher may use your feedback both to improve teaching and to support his or her application for promotion or tenure. Consequently, you should base your responses only on this particular teacher’s teaching in this subject.

The back of this form provides an opportunity for you to comment on aspects of the subject itself if you wish to do so.

Comments for ___________________________ (please insert the teacher’s name)

What do you see as this teacher’s particular strengths in teaching?

What aspects of teaching would you suggest this teacher could improve?

Some aspects of teaching this subject are beyond the direct control of this teacher. Every subject has a Subject Coordinator and it may not be the teacher being surveyed today. This space is for comments about the subject that might be useful for the Subject Coordinator in improving delivery. Some examples include workload, documentation, size of classes, subject outline, type of assessment tasks, teaching spaces and equipment.
