

Serving up the future

A Smorgasbord of
Educational Technologies

A **One day mini-conference**
for University of Wollongong staff and
other interested educators on
**Innovations and Research in
Educational Technologies.**

Wednesday 26th September 07

The main themes for the conference will include:

- Collaborative learning communities
- Emerging technologies for
multi-location teaching
- Bridging the technology gap
- Researching your teaching practice

**Come along and join us for the full
meal, or just one or two courses.**

UOW staff can register for the mini-conference via [Webkiosk](#).

Interested staff from other institutions/organisations should phone CEDIR on **4221 3113**

or email: cedir_workshops@uow.edu.au
