Student 4 Student Leadership Conference

It's that time of year again – the 4th annual S4S National Leadership Conference is on and registrations are now open! The aim of the S4S conference is to provide tertiary students from across Australia with the opportunity to explore aspects of leadership, develop their skills and knowledge and facilitate interaction with like minded individuals from across the country.

The conference provokes thought, creates discussion and challenges the perceptions of the delegates about the world around them. Delegates will experience stimulating guest speakers, engaging workshops and the opportunity to network with high profile leaders and other students.

This year's conference will be held at UOW on Saturday 25th and Sunday 26th September 2010. Delegates will be able to register on the Friday night with a networking event that evening. On Saturday evening will be the charity Gala dinner held at the stunning Innovation Campus, which is always a fun and stylish night! Centred around the theme "*Beyond All Odds*" the S4SNLC will cover the following topics: *Lead. Empower. Aspire. Defy*

.If you are interested in attending the 2010 S4S Conference, Commerce is offering 5 scholarships to students for attendance at the 2 day conference and Gala Dinner. For more information contact commerce central. Visit www.studentleaders.org.au for more information about the conference.
