iConnect was launched six months ago as a Commerce Faculty initiative to encourage students to engage in cross-cultural and international learning experiences. Since its inception iConnect has registered 72 active members and is still growing. Students are realising that in a growing global environment it is a distinct advantage to be culturally literate and to experience a diverse range of activities outside their academic learning environment.

iConnect members experience different cultures, gain insights into global and international issues, network with diverse nationalities and graduate with a distinct competitive advantage.

If you want to gain a competitive edge over your peers and demonstrate your versatility to future employers then you should join this program.

Further information on how to register is at

or email your enquiry to i-Connect@uow.edu.au.
**Student requiring Academic Advise/Approval from the School of Accounting and Finance**

The School of Accounting and Finance maintains a process to manage academic advising efficiently. Please refer to the School’s noticeboard display located on the 3rd floor for a visual explanation. In summary, the student must see a relevant discipline advisor during the advisor’s consultation time. The Student will need to complete and submit to the advisor - a School of Accounting and Finance Academic Advice/Approval Request form (purple form*) together with necessary documentation to support the request.

* The purple form is readily available from either Commerce Central Enquiries or the bench in front of the School’s noticeboard on Level 3 of the Faculty of Commerce foyer.
