**Important Information**

**Contact with Examiners**

Students and supervisors must not have contact with any examiner concerning the assessment of Honours work until the reports of all examiners are returned to and acted on by the Honours Assessment Committee, and the results are formally released to the student by the University.

If communication between the examiner and the Faculty regarding the Honours work is necessary, it must be directed through the Honours Co-ordinator, the Head of Postgraduate Studies, the Chair of the Faculty Assessment Committee or the Professional Officer.

**Advice to Students**

The Professional Officer will make copies of the examiners' reports available to the student only after the Academic Registrar's Division has officially released the final results to the student via SOLS. Until that time, all results and reports remain confidential.

**Yes / No Examiners approved by the Honours Co-ordinator (or Nominee)**
