Exhibitions
Galleries open from 9am to 5pm
Monday to Friday

As part of its extensive teaching and research program, the Faculty of Creative Arts' School of Art and Design fosters contemporary arts practice with two main operating galleries. 

The galleries promote and support an intensive program for visiting artists through residencies and short-term research projects and provide opportunities for postgraduate and undergraduate exhibitions. Admission to receptions/exhibitions is free of charge.

Poesis and Praxis: Revolutions/collaborations

Researchers across the faculty are exploring ways to develop the research strand Contemporary Narrative and Poetics (Journalism and Creative Writing) to include all disciplines. Please come to the discussions and add your voice to ideas of making and practice that can form connective tissue and fresh approaches in the creative arts at a time of wide social change.
