

Using Janison Interactive Features

Forums

Forums allow a discussion to occur about a particular post. Illustrated below is a forum showing three *threads*. The + indicates there are replies to the original post.

To read the post click on the message title. A comprehensive forum guide is available by clicking on the *Help* icon.

Instant Messaging

From the very bottom of the navigation section of your subject click on one of the ‘people icons’ to instant message the user. Hovering your cursor over the icon indicates who the user is.

A popup window will enable you to text message the user similar to popular instant messaging applications.

Chat

To participate in a live chat select the chat “room” from the navigation section of your subject. A list of current participants is on the right hand side of the page.
