YEAR 11 2009 INDUSTRIAL TECHNOLOGY HIGH SCHOOL COMPETITION

We are pleased to bring you the 2009 Year 11 Industrial Technology Competition and we would encourage you to help your Students to become involved. Student involvement will enhance their understanding of the Engineering Profession and what it has to offer as a possible future career.

The sponsorship for the major Prizes and Awards for this Competition is \$5,595. These Prizes and Awards are detailed on the enclosed Competition Poster. They are funded from a Vice-Chancellor's Challenge Grant of \$15,000 at the University of Wollongong and a number of industrial sponsors. All the Prizes and Awards for this Competition will be announced and presented at the combined Presentation and Awards Evening at the University of Wollongong on Wednesday 25th November, 2009. Prizes and Awards for all the Faculty's Senior High School Technology Competitions will be presented at this Presentation and Awards Evening.

The following are enclosed:

- Two (2) posters for the Competition
- Three (3) entry forms for the Competition
- A copy of the Conditions of Entry for the Competition.

Please note that the "best two" Folios from your Year 11 Industrial Technology class may be entered in the Competition. If one (1) of these Folios has not been written by a female, a third Folio may be submitted. These Folios will be considered for the Women in Industrial Technology Awards.

Entries must be submitted by 5:00pm on Friday, 2nd October, 2009.

We look forward to your school and students becoming involved in this inaugural Competition.

Please do not hesitate to contact me if you have any questions about the Competition or if you feel I can be of any assistance. My Faculty phone number is 4221 5761, and my email address is bobwhe@uow.edu.au.

For this Competition, the Folios should be submitted as "hard" copies.

Further details can be found on the Competitions' website
