---

*Please see over page for note regarding study sequences.*
Important Note:
The School strongly advises students to follow this study pattern.

The School cannot guarantee that subjects will be available on request at Sydney Business School for students who fail subjects or do not follow this study pattern.

Any students of the Sydney Business School who need to complete subjects out of sequence may enrol in those subjects at the University of Wollongong campus if they are available.

**MBA COURSE REQUIREMENTS ~ 9 Compulsory Subjects**

- TBS901  Accounting for Managers
- TBS903  Managing People in Organisations
- TBS904  Marketing Management
- TBS905  Economic Analysis for Business
- TBS906  Information Systems for Managers
- TBS907†  Financial Strategy
- TBS909  Corporate Governance
- TBS920  International Business Strategy
- TBS921  Strategic Decision Making

† TBS901 is a prerequisite for TBS907

PLUS 3 ELECTIVE SUBJECTS @ 900-LEVEL FROM GSB OR FACULTY OF COMMERCE SUBJECTS

Two elective subjects that are strongly recommended to students because they provide vital management skills are:

- TBS902  Statistics for Decision Making (required for those students who have not previously studied statistics, as this subject develops necessary skills to complete other core MBA subjects); and

- TBS908  Supply Chain Management

26 July, 2006
