

AICD **DIRECTOR AND BOARD DEVELOPMENT**

Company Directors Course (CDC) Meeting the challenge

Supporting the Illawarra Community

The **Australian Institute of Company Directors** with the support of the **University of Wollongong** brings Australia's pre-eminent director program to the Illawarra region.

The **Company Directors Course (CDC)** provides comprehensive and practical knowledge equipping directors and senior executives to make valuable contributions to their boards. CDC graduates gain advanced standing towards their MBA at the Sydney Business School, University of Wollongong.
