

Publications - 1998

Book Chapters

Forgas, J.P. Johnson, R., Ciarrochi, J. (1998). Mood management: The role of processing strategies in affect control and affect infusion. In M. Kofta, G. Weary, & G. Sedek (Eds.), *Personal control in action. Cognitive and motivational mechanisms*. NY: Plenum Press .

Grenyer, B.F.S., Luborsky, L. (1998). The measurement of mastery of relationship conflicts. In L. Luborsky, & P. Crits-Christoph (Eds.), *Understanding transference: The core conflictual relationship theme method (2nd Ed.)* (pp. 261-271). Washington, DC: American Psychological Association

Ronan, K.R., Deane, F.P. (1998). Anxiety disorders. In P.J. Graham et al. (Eds.), *Cognitive-behaviour therapy for children and families*. (pp. 74-94). New York, NY: Cambridge University Press.

Voss, J.F., Ciarrochi, J., Carretero, M. (1998). Causality in history: On the nature of intuitive understanding of the concepts of sufficiency and necessity.. In J.F. Voss and M. Carretero, (Eds.) *International Review of History, Volume 2. Learning and Reasoning in History* (pp. 199-213). London: Woburn Press.

Journal Articles

Budd, T.W., Barry, R.J., Gordon, E., Rennie, C., Michie, P.T. (1998). Decrement of the N1 auditory event-related potential with stimulus repetition: Habituation vs. refractoriness. *International Journal of Psychophysiology*, 31, 51-58.

Clark, A., Barry, R.J., McCarthy, R., Selikowitz, M. (1998). EEG analysis in attention-deficit/hyperactivity disorder: A comparative study of two subtypes. *Psychiatry Research*, 81, 19-29.

Croft, R., Barry, R.J. (1998). EOG correction: A new perspective. *Electroencephalography and Clinical Neurophysiology*, 107, 387-394.

Croft, R., Barry, R.J. (1998). Aligned-artifact average solution. *Electroencephalography and Clinical Neurophysiology*, 107, 395-401.

Deane, F.P., MacDonald, C., Chamberlain, K., Long, N., Davin, L. (1998). New Zealand Vietnam veteran's family programme, nga whanau a tu (families of war): Development and outcome. *Australian and New Zealand Journal of Family Therapy*, 19, 1, 1-10.

Deane, F.P., Podd, J., Henderson, R.D. (1998). Relationship between self-report and log data estimates of information system usage. *Computers in Human Behavior*, 14, 4, 621-636.

- Hayward, W.G. (1998). Effects of outline shape in object recognition. *Journal of Experimental Psychology: Human Perceptions and Performance*, 24, 2, 427-440.
- Heaven, P.C.L., Connors, J., Pretorius, A. (1998). Victim characteristics and attribution of rape blame in Australia and South Africa. *Journal of Social Psychology*, 138, 1, 131-133.
- Henderson, R., Mahar, D., Saliba, A., Deane, F., Napier, R. (1998). Electronic monitoring systems: An examination of physiological activity and task performance within a simulated keystroke security and electronic performance monitoring system. *International Journal of Human Computer Studies*, 48, 2, 143-157.
- Jamieson, M., Griffiths, R., Jayasuriya, R. (1998). Developing outcomes for community nurses: The nominal group technique. *Australian Journal of Advanced Nursing*, 16, 1, 14-19.
- Jayasuriya, R., Owen, T., Harris, R. (1998). Implementing workplace injury and disease recording standard AS 1885.1-1990: Issues and barriers for industry. *Journal of Occupational Health and Safety*, 14, 4, 373-381.
- Jones, S.P., Heaven, P.C.L. (1998). Psychosocial correlates of adolescent drug-taking behaviour. *Journal of Adolescence*, 21, 2, 127-134.
- Kazantzis, N., Deane, F.P. (1998). Theoretical orientations of New Zealand Psychologists: An international comparison. *Journal of Psychotherapy Integration*, 8, 2, 97-113.
- Saliba, A.J., Henderson, R.D., Deane, F.P., Mahar, D. (1998). The Arousalability Predisposition Scale: Validity and determinants of between-subject variability. *Journal of General Psychology*, 125, 3, 263-269.
- Tarr, M.J., Williams, P., Hayward, W.G., Gauthier, I. (1998). Three-dimensional object recognition is viewpoint dependent. *Nature Neuroscience*, 1, 4, 275-277.
- Viney, L.L. (1998). Joining people on their last journey to promote healthy dying. *Contemporary Psychology*, 43, 207. (invited review of Lair (1995) *Counselling the terminally ill*)
- Viney, L.L. (1998). Should we use personal construct therapy: A paradigm for outcomes research. *Psychotherapy*, 30, 366-380.

Published Conference Proceedings

- Balnaves, M., Caputi, P., Rawstorne, P. (1998). Key predictors of adoption of new media: the role of personality in diffusion of innovations. *Communications Research Forum*, Volume 2, Published Proceedings of the 1998 Communications Research Forum,

Communications Research Unit Commonwealth Department of Communications, Information and Technology, pp235-252.

Farina, M., Grainger, J. (1998). A comparison between cognitive behavioural treatment and traditional AA treatment of alcoholics. Addictions: Challenges and changes, Winter School in the Sun Conference, Brisbane.

Grainger, J. (1998). The cognitive behavioural treatment of drug and alcohol problems. Addictions: Challenges and changes. Winter School in the Sun Conference, Brisbane.

Grainger, J. (1998). The cognitive behavioural treatment of drug and alcohol problems. International Council of Psychologists 56th Annual Convention, Melbourne.

Published Conference Abstracts

Barry, R.J. (1998). The North American Polygraph: Ethical and methodological implications for scientific and applied psychophysiology. *International Journal of Psychophysiology*, 30, 26.

Barry, R.J. (1998). Psychophysiology of personality and individual differences: An exploration in honour of Hans Eysenck. *International Journal of Psychophysiology*, 30, 43.

Barry, R.J., DePascalis, V., Hodder, D. (1998) EEG determinants of the ERP to non-target stimuli in an auditory oddball task. *International Journal of Psychophysiology*, 30, 227.

Bayliss, D.M., Roodenrys, S. (1998) The relationship between inhibition and working memory. *Australian Journal of Psychology*, 50 supp., 43.

Bruggeman, J.M. and Barry, R.J. (1998) ANS and CNS responses to violent and comic video: Personality effects. *International Journal of Psychophysiology*, 30, 44.

Burke D, Rogers T, Hinton M, Hall-Aspland S, (1998). Perceptual grouping principles in Australian sea lions (*Neophoca cinerea*). *Australian Journal of Psychology*, 50 supp.,44.

Chan, A.Y., Taplin, J.E. (1998). The rule-plus-exceptions model: How does it characterize the acquisition of ill-defined categories in adults and children? *Australian Journal of Psychology*, 50, 46.

Ciarrochi, J.V., Forgas, J.P. (1998). The pleasure of possessions: The interactive effects of mood and personality in evaluations of personal effects. *Australian Journal of Psychology*, 50supp.,17.

Corless, B., Barry, R.J. (1998). Sensitivity to tonic experimental pain: Personality aspects. *International Journal of Psychophysiology*, 30, 43.

- Croft, R.J., Barry, R.J. (1998). EOG correction of the EEG: Rethinking the problem. *International Journal of Psychophysiology*, 30, 28.
- Croft, R.J., Barry, R.J. (1998). Multi-channel EOG correction of the EEG: Choosing an appropriate regression method. *International Journal of Psychophysiology*, 30, 134.
- Forgas, J.P., Ciarrochi, J.V. (1998). Strategies of mood management: Mood congruent and incongruent thoughts over time. *Australian Journal of Psychology*, supp
- Forgas, J.P., Ciarrochi, J.V., & Delbaere, E. (1998). If you need a lawyer, make sure (s)he's sad: The effects of mood on the quality of persuasive messages. *Australian Journal of Psychology*, 50 supp
- Lexical and non-lexical reading in adult normal and impaired readers. *Australian Journal of Psychology*, 50 supp.138.
- Hayward, W. G., Tarr, M. J. & Corderoy, A.K. (1998). Predicting costs of recognising depth-rotated objects from changes in outline shape. *Australian Journal of Psychology*, 50 Supp.,52.
- Hayward, W.G. (1998). Silhouette recognition following constrained or unconstrained silhouette interpretations. *Abstracts of the Psychonomic Society*, 3, 6.
- Hayward, W.G., & Williams, P. (1998). Recognition of depth-rotated objects among qualitatively similar and dissimilar distractors. *Perception*, 27 (supplement), 120.
- Heaven, P., Green, R., & Stones, C. (1998). Psychological predictors of prejudice in three cultures. *Australian Journal of Psychology*, 50 supp., 24.
- Hinton M, Burke D, Roodenrys, S (1998). The effect of task type on visual short-term memory. *Australian Journal of Psychology* 49 supp., 53.
- O'Donohue, R.D, Corless, B., & Barry, R.J. (1998). The effects of distraction on psychophysiological responses to pain. *International Journal of Psychophysiology*, 30, 207.
- Roodenrys, S. & Quinlan, P.T. (1998) The stimulus set size effect in immediate serial recall. *Australian Journal of Psychology*, 50, 62.
- Tardiff, H. & Fox, A.M. (1998) Detection of simulated amnesia on the recognition memory test using event-related potentials. *Australian Journal of Psychology*, 50, 146.
- Thomas, H. & Roodenrys S. (1998) Understanding performance on implicit and explicit memory tests: An analysis based on the dual-processing and transfer appropriate processing frameworks. *Australian Journal of Psychology*, 50, 65.

Xuereb, C., Watterson, B. & Fox, A. (1998) The relationship between liver dysfunction and memory. *Australian Journal of Psychology*, 50,148.

Other Conference Presentations

Balnaves, M., Caputi, P. & Rawstorne, P. (1998). Key predictors of adoption of new media: The role of personality in diffusion of innovations. *Communication Research Forum*, Canberra, September 25-26.

Bruggeman, J.M. & Barry, R. (1998). Personality effects in ANS responses to violent and comic film. Abstracts, 8th Australasian Psychophysiology Conference. p.15.

Clarke, A., Barry, R., McCarthy, R. & Selikowitz, M. (1998) EEG in attention deficit/hyperactivity disorder. Abstracts, 8th Australasian Psychophysiology Conference. p.17.

Croft, R.J. & Barry, R.J. (1998) The aligned-artifact average solution to EOG correction: Temporal reliability and aspects relating to calibration trials. Abstracts, 8th Australasian Psychophysiology Conference. p.19.

Farina, M. & Grainger, J. (1998). How do client's attributions for the causes of alcoholism interact with client psychosocial functioning. Poster presentation at the American Association for Behaviour Therapy. Washington, USA.

Farina, M., & Grainger, J. (1998). Residential treatment for alcoholics: Who drops out and who stays. Poster presentation at the American Association for Behaviour Therapy. Washington, USA.

Grainger, J. (1998). The nature of learning disabilities with children. Keynote address to Victorian Ministry of Education Conference on the Needs of Special Children, World Congress Centre, Melbourne.

Henn, J.C., Barry, R.J., & Burke, D. (1998). The acoustic startle response: Modification within three sensory modalities. Abstracts, 8th Australasian Psychophysiology Conference. p.26.

Johnstone, S.J., & Barry, R.J. (1998). The event-related slow-wave potential (.01-2 Hz) in normal children. Abstracts, 8th Australasian Psychophysiology Conference. p.29.

Maitland, H., & Viney, L.L. (1998). Adults' recollections of their disclosure of sexual assault and the impact of disclosure on interpersonal relationships: A theoretical framework. Eighth Australasian Personal Construct Psychology Conference, Brisbane, July.

Oades, L.G., & Viney, L.L. (1998). Experience Cycle Methodology: A qualitative methodology from personal construct psychology. Eighth Australasian Personal Construct Psychology Conference, Brisbane, July.

O'Donohue, R., Barry, R., & Corless, B. (1998). Novel distractor effects on physiological responses to pain. Abstracts, 8th Australasian Psychophysiology Conference. p.38.

Rudd, M.G., & Viney, L.L. (1998). The impact of dementia on the intimate marital relationships: A personal construct approach. Eighth Australasian Personal Construct Psychology conference, Brisbane, July.

Trunekova, D., & Viney, L.L. (1998). Adolescents' changes following personal construct group work. Eighth Australasian Personal Construct Psychology Conference, Brisbane, July.

Viney, L.L., & Oades, L.G. (1998). Using models in personal construct psychology research. Eighth Australasian Personal Construct Psychology Conference, Brisbane, July.

Whittle, T., Corless, B., & Barry, R.J. (1998). Psychophysiological effects of cognitive distraction on thermal tonic pain. Abstracts, 8th Australasian Psychophysiology Conference. p.50.
