## **Other Conference Presentations**

Ahmed, S., Caputi, P. & Oades, L.G. (2002, November). A cluster analytic study of consumer perspectives on readiness to change. Paper presented at the 3rd Annual Conference of the Illawarra Institute for Mental Health, Novotel, Wollongong, NSW.

Andresen, R., Oades, L.G. & Caputi, P. (2002, November). The experience of recovery from schizophrenia: towards an empirically-validated stage model. Paper presented at the 3rd Annual Conference of the Illawarra Institute for Mental Health, Novotel, Wollongong, NSW.

Aspden, S., Bates, D., Malens, G., Oades, L.G, Viney, L.L. & Champ, S (2002, August). What do consumers want in a Mental Health Service?: An analysis of focus group discussions. The MHS 12th Annual Mental Health Services Conference, Sydney.

Bailey, A., Gluseska, S., Barisic, M. & Grenyer, B. (2002, April). A consumer and community care integration project for borderline personality disorders in the Illawarra. Borderline Personality Disorder Conference: Insights, Innovations, Advances. Ringwood, Melbourne.

Bajgar, C. J., Deane, F. P., Ciarrochi, J. (2002, June). Emotional awareness among children and its relationship to social adjustment. Paper for 3rd International Conference on Child and Adolescent Mental Health, Brisbane.

Barry, R.J., Clarke, A., McCarthy, R., Selikowitz, M. (2002, November-December). An exploration of scaling of EEG coherence to remove inter-electrode distance effects. Proceedings of the 12th Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Battisti, R., Barry, R.J., Burke, D, Roodenrys, S. (2002, November-December). Measurement of explicit and implicit learning during a simple cued reaction time task. Proceedings of the 12th Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Brown, C. R., Clarke, A. R., Barry, R. J., McCarthy, R., Selikowitz, M. & Johnstone S. J. (2002, November-December). Attention deficit hyperactivity disorder and EEG-defined subtypes: A cross-modal ERP study. Proceedings of the 12th Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Brown, K.J., Gonsalvez, C.J., Harris, A.W.F., Lazzaro, I., Williams, L.M., & Gordon, E. (2002, November). Specificity of target and non-target ERP deficits in schizophrenia: a comparison of first episode schizophrenia and attention deficit hyperactivity disorder. Paper presented at the 12th Australasian Society for Psychophysiology Conference & 6th Australian Functional Brain Mapping Symposium, Sydney.

Brown, K.J., Gonsalvez, C.J., Harris, A.W.F., Williams, L.M., & Gordon, E. (2002, October). Target and non-target ERP disturbances in first episode vs. chronic

schizophrenia. Paper presented at the Seventh Biennial Australasian Schizophrenia Conference, Sydney.

Bruggeman, J., & Barry, R.J. (2002, November-December). Eysenck's Psychoticism as a modulator of affective and electrodermal responses to violent and comic film: The role of presentation and format and elaborative processing. Proceedings of the 12th Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Burke, D., & Fulham, B.J. (2002, November). An evolved spatial memory bias in a nectar feeding bird. Paper presented at the 43rd Annual Meeting of the Psychonomic Society, Kansas City, Missouri, USA.

Byrne, M.K. (2002, July). A brief review of female offender psychopathology. Paper presented at the 25th National Conference of the Australian Association for Cognitive Behaviour Therapy, Brisbane.

Byrne, M.K. (2002, July). Take one pill and call me in the morning: Is there a role for psychology in the establishment of medication adherence among people with severe and enduring mental health problems? Paper presented at the 25th National Conference of the Australian Association for Cognitive Behaviour Therapy, Brisbane.

Byrne, M.K., & Howells, K. (2002, July). Criminogenic needs assessment. Workshop presented at the 25th International Congress of Applied Psychology, Singapore.

Byrne, M.K., Deane, F., Coombs, T., & Lambert, G. (2002, October). Medication alliance in practice: Developing a program to enhance consumer quality of life through managing medication needs. Symposium presented at the 28th International Conference of the Australian and New Zealand College of Mental Health Nurses, Sydney.

Byrne, M.K., Deane, F., Lambert, G., & Coombs, T. (2002, November). Medication alliance: collaborative problem solving approaches for the enhancement of medication taking behaviour, research and efficacy. Workshop presented at the 3rd Annual Conference of the Illawarra Institute for Mental Health, Wollongong.

Byrne, M.K., Lambert, G., Coombs, T., & Deane, F. (2002, August). Medication adherence. Symposium presented at The Mental Health Services Conference of Australia and New Zealand, Sydney.

Caputi, P., Marlow, B. Jayasuriya, R., & Crittenden, N. (2002, July). A pilot study to assess the construct of Quality of Life using repertory grids. Paper presented at the 11th Australasian Personal Construct conference, Sydney.

Chan, A.Y.C., Philp, E., & Ali, F. (2002, August). Children's counterfactual thinking about better and worse possible worlds. Paper presented at the 17th Biennial Meeting of

the International Society for the Study of Behavioural Development (ISSBD), Ottawa, Canada.

Chiswick, D., Johnstone, S. J., Barry, R. J. & Clarke, A. R. (2002, November-December). A developmental investigation of stop-signal inhibition processing. Proceedings of the 12th Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Clarke, A., Barry, R., McCarthy, R., Selikowitz, M., Clarke, C. & Croft, R. (2002, November-December). The effects of stimulant medications on children with ADHD and excess beta activity in their EEG. Proceedings of the Twelfth Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.

Coombs, T., Deane, F. P., Lambert, G., & Griffiths, R. (2002, August). The role of mental health workers in facilitating medication adherence. Paper presented at the Australian and New Zealand Mental Health Services Conference, Sydney.

Croft, R., Chandler, J., Barry, R.J., Cooper, N., Clarke, A. (2002, November-December). A comparison of four EOG correction methods. Proceedings of the Twelfth Australasian Society for Psychophysiology Conference and 6th Australian Functional Brain Mapping Symposium. Sydney University, Sydney.
