The entry requirement for the Bachelor of Nursing Conversion, course 860, is an IELTS score of 6.5. Full-time Bachelor of Nursing (Conversion) students upgrading from diploma equivalent to bachelor must pass 24 credit points of subjects. This means they must do 4 six credit point subjects during one semester of study, either Autumn or Spring Semester.

Students are automatically enrolled in the compulsory 0 credit point subject ILIP100 Information Literacies Introductory Program. It is strongly recommended that students complete this subject as early in semester as possible.

The following is the recommended sequence of study:

**Autumn Semester**

**ELL151 English for Academic Purposes** consists of 2 hours of lectures and a two hour tutorial per week. It develops academic English skills. The subject coordinator is Dr Elizabeth Thomson, 19.2109.

**NURS162 Effective Communication in Health Care Relationships** consists of 2 hours of lectures and a 2 hour tutorial per week. The subject coordinator is Natalie Wall, 41.211.

**ARTS211 Social Science Perspectives on Health and Illness** consists of a 1 hour lecture and a 2 hour tutorial per week. The subject coordinator is Erin Cahill, 19.1050.

**NURS331 Research for Registered Nurses** consists of 2 hours of lectures and a 2 hour tutorial per week. The subject coordinator is Moira Williamson, 41.221.

**Progression to Master of Nursing**

Students who successfully complete and are deemed adequately prepared for postgraduate studies may progress straight into another **12 months of full-time study** in a 48 credit point **Master of Nursing** by coursework. For further information contact Dr Bill Janes, 41.213.
