

Curriculum Vitae

Dr. Mitchell K. Byrne mbyrne@uow.edu.au Telephone: +61 2 42215310

BA (Hons), M. App. Psych. Ph.D. M.A.P.S.

Position

- Senior Lecturer (Clinical Psychology) University of Wollongong (2001 – present)

Psychology Board of Australia Endorsements

- Clinical Psychology
- Forensic Psychology

Previous Employment Experience

- 2006 – Present Director, Gagliardi, Byrne and Associates (Forensic and Clinical Psychology Services)
- 2002 – 2006 Director, Macroscope Professional Outcomes (Affiliated companies: Partnerships in Practice and Byrne Hemsley Oades)
- 1997 - 2001 Lecturer, Clinical/Forensic Psychology, University of South Australia
- 1997 - 1997 Senior Clinical Psychologist, Community Mental Health Service of the Royal Adelaide Hospital (South Australia)
- 1993 - 1996 Consultant/Principal Clinical Psychologist, Bassetlaw Hospital & Community Services NHS Trust (UK)
- 1992 - 1993 Senior Clinical Psychologist, Department of Correctional Services (South Australia)
- 1988 - 1992 Manager, Intellectual Disability Services Council Inc. (South Australia)
- 1986 - 1988 Clinical Psychologist, Authority For Intellectually Handicapped Persons (Western Australia)
- 1986 - 1986 Clinical Psychologist, Children's Services Office (South Australia)

Research Interests

- Treatment compliance and concordance; adherence to medication.
- Offender memory and crime, including causes of memory distortion, accuracy of recall, correlates with autobiographical memory and Cognitive Interviewing.
- Vicarious Traumatization
- Supervision strategies in Psychological Practice
- Treatment Responsivity
- Forensic Risk Assessment
- Mental health issues in a forensic context
- Specific needs of female offenders, especially with respect to anger, and mental health issues in a forensic context.

Research Group

- Illawarra Health and Medical Research Institute
- Illawarra Institute for Mental Health

Affiliations

- Registered Psychologist (Psychologists Board of Australia Reg No.: PSY0001280730)
- Member of the Australian Psychological Society (MAPS)
- Member of the College of Clinical Psychologists
- Member of the College of Forensic Psychologists

- Member of the Australian and New Zealand Association of Psychiatry, Psychology and Law
- Accredited Supervisor, Psychologists Board of Australia

Awards/Prizes

- 2010 Nomination (Team): Vice Chancellor's Award for Outstanding Contribution to Teaching and Learning (OCTAL): *Clinical Psychology Teaching Team*
- 2009 Winner of the Australian Psychological Society Award for Excellent Ph.D. Thesis in Psychology
- 2009 Faculty Winner – Vice Chancellors Award for Outstanding Contribution to Teaching (OCTAL)
- 2007 Open Winner Runner Up, Trailblazer Competition. University of Wollongong and Uni Quest Pty Ltd. *Medication Alliance*
- 2006 Outstanding Research Student of the Year – School of Psychology. University of Wollongong, Faculty of Health and Behavioural Sciences, Faculty Research Committee.
- 2005 First Prize – Higher Degree Research Presentation: *For the best presentation given at the 2005 HDR Student Conference by an H&BS student.* University of Wollongong, Faculty of Health and Behavioural Sciences, Faculty Research Committee.
- 2004 Nomination (Individual): Vice Chancellor's Award for Outstanding Contribution to Teaching and Learning (OCTAL)
- 2004 Nomination (Team): Vice Chancellor's Award for Outstanding Contribution to Teaching and Learning (OCTAL): *Clinical Psychology Teaching Team*

Grants and Other Funding Sources

- 2008 #Co-investigator on an Education Faculty Start-up Grant (Tanner, K., Dixon, R., & Byrne, M.K.). "Talk the talk but can schools walk the walk? The experience of transitioning adolescents with Aspergers Syndrome into two academically selective high schools in New South Wales.": \$2,000
- 2007 # International Research Consultancy for the delivery and evaluation of Medication Alliance training in In-Patient Services, Western State Hospital, Washington State, USA (LSU f/n 999/002/244): \$60,000
- 2006 # Chief Investigator on New Partnerships Grant (University of Wollongong Research Committee) with Mental Health ACT: "Mental Health staff beliefs, knowledge and self-reported behaviour about risk assessment": \$23,000
- 2006 #Co-investigator on an Education Faculty Research Grant (Konza, D. & Byrne, M.K.). "Enhancing Social Skills of High Functioning Autistic Children in the Unstructured Playground Environment": \$2,000
- 2005 # Health and Behavioural Sciences Faculty Research Committee Post Graduate Student Conference Support Grant: \$1,400
- 2005 # Associate Investigator on Industry Funded Research – Clarke, A., Barry, R., McCarthy, R., Selikowitz, M., Heaven., P. & Byrne, M.K. "A ten year follow-up of the efficacy of methylphenidate for the treatment of Attention-Deficit/Hyperactivity Disorder" – Novartis Pharmaceuticals: \$27,100
- 2004 # Associate Investigator with Dr. Adam Clarke, Professor Bob Barry and Associate Professor Patrick Heaven on a Faculty Research Committee Small Grant (University of Wollongong) entitled "A ten year follow-up of children with Attention Deficit Hyperactivity Disorder": \$5,000
- 2004 # Research Consultancy for the development and pilot of a Violence Prevention Program for Mount Druitt Probation and Parole, Department for Corrective Services, NSW: \$30,000
- 2004 # Health and Behavioural Sciences (University of Wollongong) Publication Assistance Grant (article published 2004): \$2,000
- 2004 # Research Consultancy for the delivery and evaluation of Medication Alliance training in Mid Western Area Health Service: \$14,500
- 2003
- 2005 # Co-Investigator with Professor Graham Meadows at Monash University (Meadows, G., Byrne, M.K., Cichello, A., Favilla, A., Feros, D., Graham, A., McNab, C., Milton, I., Mitchell, P., & Sharples, B.) on the \$100,000 *Beyond Blue/Victorian Centre of Excellence* research grant looking at comparisons of Medication Alliance with Mindfulness Based Cognitive Therapy. (\$25,000 directly budgeted for the Wollongong component).
- 2003 # Research Consultancy for the delivery of the pilot version of Medication Alliance training for Tasmanian Mental Health Services: \$9,500
- 2003 # Departmental "Small Grants" for the further development of Medication Alliance research: \$1,000

- 2003 # Research Consultancy for the completion of Medication Alliance training materials from from Eli Lilly Pharmaceuticals: \$50,000
- 2003 # Grant from the Australian and New Zealand College of Mental Health Nursing for the further development of the Medication Alliance program: \$25,000
- 2002 # Contracted by Department of Justice and Industrial Relations, Tasmania, to review the outcomes of the “Review of the Wisconsin Risk Assessment in Tasmania”: \$5,000
- 2002 # Contracted by the School of Nursing, University of Wollongong, to provide a subject outline for Forensic Mental Health as part of the Masters of Mental Health Nursing program: \$5,000
- 2002 # Contract with the Mental Health Integration Project (Commonwealth) to provide training and supervision to General Practitioners and Psychiatric Registrars in the use of Cognitive Behaviour Therapy with their patients: \$28,000
- 2002 # Department of Psychology research Grant for Medication Alliance consumer evaluation: \$2,250
- 2002 # Seeding grant for the development of materials for the Medication Alliance project from Eli Lilly Pharmaceuticals: \$24,000
- 2002 # Obtained a grant from Life Line South Coast to further develop identification and treatment of Vicarious Traumatization: \$8,000
- 2001 – 2002 # University Research Committee Foundation Summer Scholarships to facilitate post-graduate research and journal publications: \$3,000
- 1999 – 2000 # Divisional Research Scholarship to facilitate the development of journal articles from supervised student research: \$3,000
- 1999 # Contributed to consultancy to ACT Correctional Services to provide best practice literature reviews: \$22,000
- 1998 – 1999 # Faculty teaching and Learning Grant to develop an innovative learning opportunity for Forensic Masters students: \$ 4,800
- 1998 – 2000 # Associate Investigator on the DCS / MOJ *Evaluation of Anger Management Programs for Violent Offenders* Project: \$130, 000

Previous Program Development and Review

Training Programs

Byrne, M.K. & Deane, F.P. (2007). *Medication Alliance With People Who Have Psychotic Disorders: Inpatient Training Manual*. Wollongong, NSW: University of Wollongong, Illawarra Institute for Mental Health.
ISBN

Parker, G., Hamid, G., Byrne, M.K., & McLeod, H. (2004). *Mt Druitt Violence Prevention Program*.

This project involves the development of a training manual for Probation and Parole staff for implementation with violent offenders. Based on best practice materials, the program will be

piloted by the first two authors and is funded by the New South Wales Department for Correctional Services. (total funding: \$30,000)

Byrne, M.K., Deane, F.D., Lambert, G., & Coombs, T. (2003). *Medication Alliance With People Who Have Psychotic Disorders: Training Manual*. Wollongong, NSW: University of Wollongong, Illawarra Institute for Mental Health.
ISBN 1 74128 0087

This project involved the development of a training package for mental health case managers to enable them to facilitate optimum medication use by people with psychotic disorders. Funded by Eli Lilly Pty Ltd. And the Australian & New Zealand College of Mental Health Nurses Inc. (total funding: \$99,000)

Howells, K., & Byrne, M.K. (1998-2002) *Criminogenic Needs Assessment*.

Developed originally as a 3-day training program for Correctional Services Staff in South Australia, this training package was later revised as a one day workshop and has been presented at conferences, including the prestigious the 25th International Congress of Applied Psychology, Singapore, July 2002.

Phipps, A., & Byrne, M.K. (2003) *The 'Orienting' approach to trauma counselling: A brief and early model of intervention*.

Published in Stress & Health (see above) and presented at the 34th Annual conference of the Society for Psychotherapy Research, Weimar (Germany), June 2003, this (ongoing) project involves the development of a training program for Volunteer counsellors. Funded by Life Line South Coast (total funding: \$9,000)

Byrne, M.K. & Feros, D. (2003). *Adherence therapy training for practice nurses assisting people with depression*.

This project recently commenced and involves the development of a training program for practice nurses in General Practitioner surgeries. The aim of the training is enable nurses to enhance the adherence of patients to anti-depressant medication. The training program is subsumed within a larger research project through Beyond Blue in Victoria that is funded in excess of \$100,000. The total funding for the Adherence Training is \$25,000.

Forensic Reviews

Byrne, M.K. (2002). *The review of the Wisconsin Risk Assessment in Tasmania: A critical review of outcomes and recommendations for further development*. University of Wollongong: NSW.

Commissioned by Tasmanian Community Corrections, this project involved the evaluation of risk and needs instruments, with particular reference to the utility of the Wisconsin (total funding: \$5,000)

Howells, K., Day, A., Byrne, M.K., White, L.J., Hart, K., & Nakos, J. (2000). *The rehabilitation of offenders: A best practice review*. University of South Australia: Adelaide.

and

Howells, K., Day, A., Byrne, M.K., White, L.J., Hart, K., & Nakos, J. (2000). *The management of special groups in prison: A best practice review*. University of South Australia: Adelaide.

Commissioned by the ACT Correctional Services, this review sought to provide up to date background material for the development of ACT Correctional Programming (total funding: \$22,000)
