School of Mathematics and Applied Statistics
Course and Career Information Evening

FOR STUDENTS, PARENTS AND TEACHERS
OF YEAR 12 MATHEMATICS STUDENTS

7.00 - 9:00pm
Wednesday, 15 September, 2010
UniCentre Function Centre Room 3
University of Wollongong

The School of Mathematics and Applied Statistics at the University of Wollongong warmly invites Year 12 Mathematics students, Parents, Career Advisers and Mathematics Teachers to an information evening at the University of Wollongong. Interested Year 10 and 11 students are also welcome.

Discover all the different mathematics degrees that the university has to offer, including

Bachelor of Mathematics    Bachelor of Mathematics(Advanced)
Bachelor of Mathematics and Finance    Bachelor of Mathematics/Bachelor of Computer Science
Bachelor of Mathematics/ Bachelor of Engineering…..

and the NEW Bachelor of Medical Mathematics.

Learn about the careers to which these degrees can lead and about opportunities for scholarships, work experience, study abroad as well as early entry.

Presentations will be made by staff and students from the School of Mathematics and Applied Statistics as well as a mathematics graduate working in mathematical finance.

Refreshments including tea, coffee, juice and cake will be provided.

If you would like to attend, please phone Olivia or Kerrie in the Mathematics Office on (02) 4221 3845 or fax (02) 4221 4845 or email kgamble@uow.edu.au by 10 September, 2010.
