Faculty of Informatics
Dean’s Scholars Program

Application for Current Students

The Dean’s Scholars Degree offers a challenging and enriched educational experience for high-achieving students who want to perform above the level normally expected. Dean’s Scholars must maintain an Weighted Average Mark (WAM) of 75 in each year of study to complete the program.

Dean’s Scholars are encouraged to contribute to the scholarly life of the Faculty through events in the Faculty’s postgraduate program.

Dean's Scholars will complete all requirements for their respective degrees and, where possible, may be permitted to take an accelerated program after their first session.

Dean’s Scholars will receive special privileges including extended internet quota, extended Library access, $500 book allowance per year (pro-rata per sessions) and access to an academic mentor.

The program is a distinction easily recognisable to future employers, giving you an edge in competitive employment situations.

Students will need to complete and submit the below application form.

Closing date for applications is 31 December (for Autumn session) & 30 June (for Spring session)
