

iPhone & iPad Wireless Setup Guide

This guide is for new connections to the UOW network.

Note: You must be in range of the UOW network to configure your device. A map of the wireless networks is available at

<http://www.uow.edu.au/its/network/wireless/coverage-map/index.html>

1. Open Settings

2. Select Wi-Fi

3. Turn Wi-Fi ON and tap UOW

4. Type in your UOW username and password and click join

5. Accept the certificate

Please note that before accepting the certificate you should confirm that it contains the following details:

Certificate Name: wireless.uow.edu.au
Issued by: QuoVadis Global

Your device has now been configured to use the Internet via the UOW Wireless network.

For further assistance accessing the wireless network please see the Service Desk located at ITS Central Labs in Building 17, Level One or telephone 4239 2000
