

## External Research Grants Submission Form

University approval is required for all staff seeking funding from an external agency. The completed form **MUST** be signed by the Head of Department/Unit and Dean and then forwarded, along with the application and funding scheme guidelines, to the Research Services Office. Completion of this process will ensure that the University and staff undertaking such research are covered by the University insurances and indemnities. **This form must be completed for all external research proposals, including collaborative applications being submitted through other institutions.**
