

UNIVERSITY OF WOLLONGONG ANIMAL ETHICS COMMITTEE

SHARED ANIMAL TISSUE NOTIFICATION FORM

This form is to be used to notify the AEC of any shared use of animals beyond their original approved use. Tissues may only be provided from animals which were euthanased under a research protocol approved by the AEC. It is the joint responsibility of the user and provider to complete this form and return it to the AEC.

Definitions:

Tissue user: Researcher using tissue from a dead animal not originally acquired for this research project.

Tissue provider: Researcher who provides tissue from the dead animal at completion of an authorised protocol.

SECTION 1: SHARED TISSUE USER

- 1. Name and designation of shared tissue user:.....
2. Contact details and Department .....
3. Animal Ethics Approval Number of shared tissue user project: .....
