## Rail CRC Honours Scholarships

The CRC for Rail Innovation (Rail CRC) is providing up to five Honours scholarships for projects in its areas of research.

The projects are targeting each of the following six interrelated research themes identified by the Rail CRC:

- **Climate Change and the Environment**
- **Improving Rail Safety**
- **Unleashing Network Capacity**
- **Improving Urban Mobility**
- **Developing Human Capital**
- **Leveraging Smart Technologies**

### Eligibility

- The Honours Scholarships are available to high achieving undergraduate students who are enrolling in Honours, or an Honours project as part of a four year degree, in 2009.
- You must be enrolled at a university that is a participant of the Rail CRC - Central Queensland University, Queensland University of Technology, University of Wollongong, The University of Queensland, the University of South Australia Monash University and Southern Cross University
- One of your supervisors must be a collaborating researcher with the Rail CRC
- Applications must be submitted before Friday 7<sup>th</sup> November 2008

### Benefits

Honours Scholarships will be awarded by the Rail CRC. The scholarship is \$5,000.

Scholarships are offered through the Rail CRC's university partners.

### Selection of Honours Scholarships

Honours Scholarship applications are invited in late October/early November of each year. These proposals are ranked and shortlisted by the Rail CRC Scholarship Committee. The selection will be based primarily on academic merit and relevance of the honours project to the research of the Rail CRC.

Successful candidates and their supervisor will be advised by the end of November 2008.

### How to Apply

Please direct enquiries to Angela Christie, phone (07) 3221 2716 or email [achristie@railcrc.net.au](mailto:achristie@railcrc.net.au).
