Rail CRC Summer Scholarships

The CRC for Rail Innovation (Rail CRC) is providing up to 10 summer scholarships for projects in the areas of its research. These projects will be for a 10 week period over summer in 2008/2009.

The projects are targeting each of the following six interrelated research themes identified by the Rail CRC:

- **Climate Change and the Environment**
- **Improving Rail Safety**
- **Unleashing Network Capacity**
- **Improving Urban Mobility**
- **Developing Human Capital**
- **Leveraging Smart Technologies**

Eligibility

- The Summer Scholarships are available to high achieving 2nd, 3rd or 4th Year students who are enrolled at a university that is a participant of the Rail CRC - Central Queensland University, Queensland University of Technology, University of Wollongong, The University of Queensland, the University of South Australia Monash University and Southern Cross University
- Your supervisors must be a collaborating researcher with the Rail CRC
- Applications must be submitted before Friday 7th November 2008

Benefits

Summer scholarships will be awarded by the Rail CRC. The scholarship is \$3,000.

Scholarships are offered through the Rail CRC's university partners.

Selection of Summer Scholarship Projects

Summer Scholarship Applications are invited in late October/early November of each year. These proposals are ranked and shortlisted by the Rail CRC Scholarship Committee. The selection will be based on academic merit.

Successful candidates and their supervisor will be advised by the end of November 2008.
