HEAR ABOUT

How to Value an Early Stage Start-up, StartMate & Ignition

GUEST SPEAKER

Hamish Hawthorn: CEO, ATP Innovations.
ATP Innovations delivers commercialisation and business expertise to emerging technology businesses, helping entrepreneurs build successful high-growth companies. Hamish has been involved in the commercialisation of technology for over 15 years.

ALSO ON THE NIGHT

We will conduct a **Lightning Round** where you get an opportunity to pitch your idea to the group. You will have a strict **3 minutes**.

Tell us about the world changing idea you have, or if you are still working out your one killer concept, be inspired by others and the way they are going to change the world.

Register on the night.

And as always there will be networking time!
