Congratulations Troy!

Troy Lowe won the undergraduate poster prize at last week's American Society for Mass Spectrometry conference in Seattle. The conference is the largest mass spectrometry meeting in the world with almost 6000 delegates. Great effort from the steel worker from Wollongong!

| *Bert Halpern Prize* (Best Honours Student in Chemistry for 2005)  
*RACI Student Prize* (Best Overall Undergraduate Student in Chemistry for 2005) |
| Matthew Tonini was a BSc (Hons) Adv. student and is now completing a Graduate Certificate in Science Communication at ANU.  
This award is named after Bert Halpern who was the Foundation professor of Chemistry at the University of Wollongong. |

**ChemSoc BBQ**

Another great student BBQ, thanks to all who organised it.
