

VI. Academic Research Grants and Consultancy

My academic research grants show my capacity to undertake research work in a timely manner and deliver within the stipulated timeline. Research grants awarded have played an active role in the acquisition of research funds such as:

1. **Consultancy of 10,000 USD to Pamela Abuodha** from the Intergovernmental Oceanographic Commission (IOC) of United Nations Educational Scientific and Cultural Organization (UNESCO) to prepare a technical scientific report to the African Union Commission (AUC) at the United Nations Climate Change Conference in Copenhagen (7–18 December 2009) during October – December, 2009.
2. **A grant of \$AU 37,475** from the Australian Greenhouse Office (AGO), Canberra, Australia to Professor Colin Woodroffe and **Pamela Abuodha** in 2006 for the International assessments of the vulnerability of the coastal zone to climate change, including an Australian perspective (see publications for report). University of Wollongong, Wollongong AUSTRALIA
3. **A grant of \$US 6,000** from the Western Indian Ocean Marine Science Association (WIOMSA) to **Pamela Abuodha** in 2005 – Implications of coastal processes on the management of the Kenya coast (see publications for report). Kenya Marine and Fisheries Research Institute, Mombasa KENYA
4. **A grant of \$US 1,000** from WIOMSA to **Pamela Abuodha** in 2003 – Project proposal on shoreline change in Kenya (see publications for report). Kenya Marine and Fisheries Research Institute, Mombasa KENYA
5. **A grant of \$US 2,000** from United Nations Educational Scientific and Cultural Organization (UNESCO) to **Pamela Abuodha** in 2001 – Physical shoreline change in Kenya (see publications for report). Kenya Marine and Fisheries Research Institute, Mombasa KENYA
