5. INTERNATIONAL EXCHANGE PROGRAM

The Faculty of Science encourages competent students to consider studying abroad for a session during the second or third year of their degree. The University has exchange agreements with a large number of overseas universities. A limited amount of funding is available to assist students to finance studying overseas.

**Step 1:**

**Step 2:**
Consult the Study Abroad & Exchange Office located in Student Central (Building 17) for assistance in putting together your exchange program. Identify the session, university and possible subjects offered by the exchange university.

**Step 3:**
Consult the Head of Department or School in the disciplinary area of each of the subjects you have chosen in order to verify that advanced standing will be granted towards your degree. The Head will require a subject description for each subject.

**Step 4:**
Conclude and lodge the required documents for your application as advised by the Study Abroad & Exchange Office.
