Academic Advice to support Extension of Confirmation of Enrolment (CoE) – International HDR

To be completed in consultation with your Supervisor.

International Students must seek permission to extend their CoE. Permission will only be granted in limited circumstances. Consult the International Student Website [*http://www.uow.edu.au/student/international/index.html*] for more information.

The completed form along with all supporting documentation should be submitted at Student Central, Building 17.

Completion of this form does not mean automatic approval for the extension of your CoE.

STUDENT PERSONAL DETAILS		
Student Number	**Last Name**	**First Name**
Course Name	**Visa Type**	**Student Visa Expiry Date**

Please Note: A reasonable 'submission date' should be put down even if there is a possibility of not submitting at that time. Students, who will need longer, should apply again. ***Once your thesis is submitted, you will have to apply for a thesis-marking visa which will allow you to remain in Australia for a maximum period of 6 months.***

Scholarship Information (*Important – Leave blank if you are not on a scholarship)*	
What type of scholarship do you have?	
When does your scholarship expire?	
Have you informed your scholarship provider of your extension*?	

***** Research students that are on a scholarship are required to submit a supporting letter from their sponsor outlining their continued financial support in order for the student to complete their studies. This will be used on the student's CoE to demonstrate the student's financial capacity.

DECLARATION AND STUDENT SIGNATURE

I will undertake to submit my thesis by the submission date noted on this form and complete within the timeframe of my CoE as per the conditions of my student visa.
