Subject area	Your subject(s)
Food Chemistry	
Public Health Nutrition	
Research in Nutrition	
Statistics	

Please attach a copy of the subject description for each of the subjects you have listed in Part 1 and Part 2.1. It is helpful to include subject content, contact hours of lectures and laboratory experience (where relevant), prerequisite subjects and prescribed text books.

SECTION B

Write a short essay of about 500 words on why you believe you would make a good dietitian. Briefly indicate your reasons for wanting to study specifically at the University of Wollongong. Citing references is not required.

The criteria for assessing this essay are:

- Written expression
- Ability to develop an argument
- Demonstration of creative thought
- Essay content

SECTION C

Provide two references from work supervisors, coworkers and/or academic staff indicating the tasks undertaken and commenting on your **character, interpersonal and management skills** and your **work ethic**. Referees should complete the proforma attached at the end of this document, and return confidentially to HBS Central (as detailed on proforma).

SECTION D

List all of your tertiary education qualifications, including any currently being undertaken.

Year of Graduation	Institution	Award
