Work Integrated Learning Scholarship

Number of Scholarships: Two (2) Civil Engineering
Value: $13,500
Duration: Three (3) Years
Year of Scholarship 2008 - 2010

The NSW RTA Rural Scholarship Program assists students from rural and outer-regional areas meet the costs associated with university study. The successful applicants will have the opportunity to undertake 12 weeks work experience with the RTA during semester breaks of each year, working on projects in a regional office close to their home address.

The RTA manages the operations, maintenance and enhancement of 17,670km of State Roads including 3105km of National Highways. This includes facilities such as traffic lights, roundabouts, signs and linemarking. It also manages nearly 3000km of Regional Roads and Local Roads in the unincorporated area of NSW where there are no Local Councils. The RTA assists Local Councils in managing 18,497km of Regional Roads and, to a limited extent, Local Roads, through funding and other support. Projects in which the RTA has an interest include 4588 bridges, major culverts and tunnels and nine vehicular ferries.
