NOTES

1. Progression into the MBA and Master of Health Leadership & Management is subject to meeting the entry requirement, including: a minimum of one year of relevant professional experience; and completion of the first course. For all other combinations, progression will be subject to successful completion of the first course.
2. Where the normal course length is two years, students will progress into the second year of that course, if following one of the combinations in the 'two degrees over two years' tables.
3. Tuition fees shown are for on-campus study, in \$A per session. (The Sydney Business School divides the year into four "intakes". The listed fee per session is equivalent to two intakes). Tuition fees are dependent on actual year of commencement and are subject to change without notice and annual increases. Further information about fees is available at: www.uow.edu.au/future/international/apply/fees/
