

We're offering 5 scholarships of \$5,000 per year to Future Teachers, to cover studying related expenses such as course fees or board and lodging.

## Why are we doing this?

Because we're passionate about the value of public education! It's also an integral part of our culture to help others. The scholarship is given out to students who understand the value of public education and the need to be proactive in promoting financial literacy when they get into the classroom.

## When will it be given out?

Money will be given to recipients in two instalments - at the beginning of first and second semesters.

## Applications

Applications for 2010 open from 7th September 2009 to 29th January 2010. Recipients will be notified in February 2010.

## Are you eligible?

In a nutshell, we're looking for someone who...

- Is a resident of NSW, ACT, WA or NT
- Has completed year 12 (or equivalent) at a public school or TAFE in NSW, ACT, WA or NT
- Is going to be studying a Bachelor, Diploma or Master of Education in 2010
- Is a member or eligible to become a member of Teachers Credit Union and has a regular direct credit into their account
- Has completed the application form and attachments
- Is not the recipient of a scholarship from another institution or government department
