Levels of achievement are as applied to an Australian degree: eg. a 60% requirement means a 60% average mark or equivalent marking system in a degree at an Australian university. Equivalent levels of achievement in countries with different marking or mark distribution systems (eg., India, Bangladesh, Pakistan, Nepal, China, Taiwan) are set out in separate documents maintained by UniAdvice. The ranking or standard of individual institutions will be taken into account in such overseas equivalence documents.

Please note that the attached requirements are to be used as a guide only and do not guarantee that an offer will be made as other relevant criteria will be taken into account, such as English language, assessment of individual qualifications completed by the applicant and relevant professional experience as required. All enquiries should be directed to the relevant admissions staff in UniAdvice.

APPLICANTS WITH A BACHELORS DEGREE IN A COMMERCE-RELATED MAJOR

The following page outlines the offers which can be made to applicants who have a bachelors degree in an area related to commerce or business.

If the applicant has IELTS 6.5 or equivalent:

For details of IELTS band score requirements and equivalent tests see: <http://www.uow.edu.au/prospective/international/english/index.html>

QUALIFICATION	OFFER	NOTE
A degree equivalent to an Australian bachelors Major: accountancy Average Mark: 60% (GPA 2.4 out of 4.0)	MAccy MFA	none
