Making a Difference

I am 'Making a Difference' today

All permanent and limited term staff employed by UniCentre are eligible to contribute to the *UOW Cares* Workplace Giving Program. Workplace giving is a simple way for you to regularly donate to a community organisation through automated payroll deductions. Your donation will be deducted from each pay before tax is calculated, and the donation will be sent directly to the community organisation from the payroll system.

UOW Cares is committed to supporting the community, through the following organisations. You are able to donate to one or as many of these organisations as you wish.
