“Are You Prepared for the Global Workplace?”

Monday 8th August 2011

Venue: Foyer of University Hall

Your personal invitation

Please join us
Your University invites you to take part in this first ILTS World Café.

Inter-cultural dialogue facilitates inter-cultural understanding, vital for globalised workplaces. At UOW’s World Café we will be discussing different cultural behaviours. For example, How do I accept a gift? How do I greet a stranger? Can I touch you in a conversation? Should I look into your eyes when we speak?

Please come along—tune your ear to World English—and help us get into action sharing information on intercultural understanding.
