Overview

Given the spate of corporate failures in Australia and the USA in recent times, there is a growing public awareness of the need for accounting and finance professionals (and those in oversight positions) to acquire skills to identify and act upon indicators of poor corporate governance, mismanagement, fraud and other unethical behaviour. Traditional business-related education focused on management styles and techniques, financial management, and how internal and external transactions were recorded and interpreted. It is now necessary to analyse the underlying characteristics of corporate activities, and identifying corporate governance issues including potentially unethical or fraudulent behaviour at all level of the organisation.

Entry Requirements / Assumed Knowledge

Candidates must have an undergraduate degree in accounting from a recognised university and have achieved a 60% average mark. Other academic or professional qualifications plus a minimum of five years full-time work experience may be approved by the Program Director, Forensic Studies.

CRICOS Code:	013031G			

Overview

The Master of Business Administration is designed for those who require the knowledge, competencies and managerial skills necessary to operate in a challenging and changing global environment. The compulsory subjects of the program have a strategic focus that tackle practical issues and concepts and develop skills required by a modern manager. At the completion of the MBA program, graduates should be able to analyse any problem they encounter within an organisation by identifying the key factors, generating a range of solutions and make strong managerial decisions. The compulsory subjects offer an introduction to key managerial concepts and the skills required by managers, providing a foundation for the elective subjects that follow.

Entry Requirements / Assumed Knowledge

Applicants must have a Bachelor Degree or equivalent with an average mark of at least 60 %. Applicants with a Bachelor degree average mark between 50 % and 59 % with two years relevant work experience or with a Graduate Diploma in Commerce with an average of at least 55 % may also be accepted.

Applicants must also meet the University's English Language requirements (refer to the University's website at www.uow.edu.au/discover/international/ for details).

Note: Due to different entry criteria and programs of study, students will not be permitted to transfer between the MBA and Master of Commerce programs.

Advanced Standing

Candidates who have completed either Master of International Business or Master of Science (Logistics) degree with an average mark of at least 55 % may apply to enrol into the MBA Program. These candidates will be required to complete seven specified subjects.

Candidates who have successfully completed a selected range of eight subject Masters programs from the Faculties of Commerce, Health and Behavioural Sciences, Informatics, Engineering and Education who satisfy entry requirements for the MBA, may apply to enrol in the MBA program with advanced standing.

Candidates should consult the MBA Program Co-ordinator for further information.

Course Requirements

Candidates are required to complete 12 subjects (72cps) according to the sequence of study listed below. There are eight compulsory subjects that are required to be completed along with four elective subjects selected from other 900 level Graduate School of Business and Professional Development or Faculty of Commerce subjects, or any other 900 level subjects as approved by the MBA Program Co-ordinator.

Course Program

TBS920 International Business *	6
TBS921 Strategic Decision Making *	6

TBS901 is a pre-requisite for this subject.

* These capstone subjects are to be undertaken only after all compulsory subjects have been completed.

Electives

Two elective subjects that are strongly recommended to students because they provide vital management skills are:

TBS902	Statistics for Decision Making (develops skills necessary to complete core subjects); and
TBS908	Supply Chain Management

Note: Students undertaking the program through the Sydney Business School will have a restricted number of elective subjects available.

Credit Towards Other Courses

Graduates that have successfully completed the MBA program may apply to enrol in one of the Graduate School's eight subject Masters programs such as MIB or MSc (Logistics). Those candidates will be required to complete six specified subjects.

Applicants should consult the relevant program co-ordinator for further information.

Other Information

As a member of the Australian National Business School (ANBS), our MBA students benefit by the ability to transfer to other ANBS member Universities and the flexibility to work temporarily interstate without disrupting their studies. Our MBA students also have the opportunity to participate in South East Asian and European summer schools.
