## Master of Forensic Accounting

Testamur Title of Degree:	Master of Forensic Accounting
Abbreviation:	MForAcc
Home Faculty:	Commerce
Duration:	1 year or part-time equivalent
Total Credit Points:	48
Delivery Mode:	Modular – compulsory 3 full days intensive program per subject (Fri, Sat & Sun)
Starting Session(s):	Autumn/Spring
Location:	Wollongong
UOW Course Code:	1541
CRICOS Code:	046874C

## Overview

The Master of Forensic Accounting emphasises a forensic rather than a control-based or risk management approach to the analysis of corporate governance and the possibility of fraud.

Students will be given a broad-based introduction to the nature and purpose of forensic accounting. The scope and content of all subjects extend well beyond a 'legal' focus and provide an opportunity to study and acquire skills in investigative techniques and the collection of data as well as the skills necessary to not only identify poor management but also unethical and fraudulent activities.

## Entry Requirements / Assumed Knowledge

Applicants must have an undergraduate degree with a major in accountancy from a recognised university. Other academic or professional qualifications plus a minimum of five years full-time work experience may be approved by the Head of Accounting Discipline.

## Advanced Standing

Advanced standing for ACCY950 and ACCY958 will be offered to applicants who have completed the CPA Australia Program.

## Course Program

ACCY950	Introductory Forensic Accounting	Autumn/Spring	6
ACCY951	Forensic and Litigation Framework	Autumn/Spring	6

Total Credit Points:	48
Delivery Mode:	Day/Evening
Starting Session(s):	Autumn/Spring
Location:	Wollongong
UOW Course Code:	648
CRICOS Code:	028405D

## Overview

In today's competitive economic environment, an additional qualification outside a graduate's first area of expertise may increase employment opportunities. A Graduate Diploma in Commerce (Accountancy) enhances the career prospects of graduates because it complements Bachelor qualifications in any discipline by building accounting, business and finance skills.

## Entry Requirements / Assumed Knowledge

Applicants should normally have a Bachelor degree from a recognised tertiary institution. Students with an appropriate combination of academic qualifications, plus a minimum of three years relevant work experience may also be considered. The work experience must be in a managerial or supervisory role in an accounting firm or in a role for which the primary responsibility is financial and/or management accounting.

## Course Requirements

Specific requirements for this course are:

1. not less than 30 credit points (of the minimum required of 48) are to be obtained from 200-level and/or 300-level subjects offered by the School of Accounting and Finance;

## Course Information

- with the approval of the Head of Accounting Discipline, subjects may be selected from 900-level subjects offered by the School of Accounting and Finance. (Any subjects selected under this clause may be included in the 30 credit points required under 1.); and
- the whole course for the diploma is to be approved by the Head of Accounting Discipline as providing a coherent course of study.

## Course Program

Programs are designed on an individual basis and depend on educational background and career goals. Students undertake at least 48 credit points as approved by Head of Accounting Discipline.

Delivery Mode:	Modular – compulsory 3 full days intensive program per subject (Fri, Sat & Sun)
Starting Session(s):	Autumn/Spring
Location:	Wollongong
UOW Course Code:	1147
CRICOS Code:	N/A

## Overview

Given the spate of corporate failures in Australia and the USA in recent times, there is a growing public awareness of the need for accounting and finance professionals (and those in oversight positions) to acquire skills to identify and act upon indicators of poor corporate governance, mismanagement, fraud and other unethical behaviour. Traditional business-related education focused on management styles and techniques, financial management, and how internal and external transactions were recorded and interpreted. It is now necessary to analyse the underlying characteristics of corporate activities, and identify corporate governance issues, including potentially unethical or fraudulent behaviour, at all level of the organisation.

## Entry Requirements / Assumed Knowledge

Applicants must have an undergraduate degree in accounting from a recognised university. Other academic or professional qualifications plus a minimum of five years full-time work experience may be approved by the Head of Accounting Discipline.
