Hugh Mackay

Advance Australia... Where?

High divorce rate, low birth rate, shrinking households, a widening gap between rich and poor, an IT revolution, disenchantment with politics, the ‘gender wars’ breaking out again ... the question is: *What kind of society are we becoming?*

One of the Australian pioneers of social research, Hugh Mackay, will explore the social, cultural, economic and technological influences that are reshaping Australia, in this public seminar hosted by UOW’s Institute for Innovation in Business and Social Research (IIBSoR).

Date: Tuesday, 20 November 2012
Time: 3.00pm–4.00pm
Where: Room 4, UniCentre, Bldg 11 University of Wollongong
RSVP: iibso-r-info@uow.edu.au or ph: 4221 3475 by Friday 16 November

Light refreshments will be provided after the presentation, and copies of Hugh’s latest books will be available for purchase and signing.
