CODE OF CONDUCT

It is important that student elections are conducted in an open, democratic and participatory manner, and that you familiarise yourself as a candidate with the following procedures which outline the requirements and expectations concerning the conduct of the election. This Code of Conduct is established in accordance with Section 3.3 of the [WUSA Regulations Governing Elections](#). Candidates or groups that do not comply with this Code may be disciplined or disqualified from the election at the discretion of the Returning Officer, as provided for under Clause 6.2.1 of the WUSA Regulations Governing Elections.

1. Introduction

1. This code of conduct applies to all students involved in the conduct of elections or election campaigns held in respect of 2018 WUSA Annual General Elections at the University of Wollongong.
2. The purpose of this Code is to promote fairness and preserve the integrity of student elections and election campaigns while at the same time encouraging candidates and their supporters to maintain a spirit of friendly competition and respect for the election process.

2. General Principles

1. The University expects all people involved in election campaigns (including candidates, returning officers, scrutineers, campaign officials and voters) to conduct themselves in an ethical manner and not to engage in any behaviour that causes or could cause unreasonable disruption to, or compromise the integrity of, an election or election campaign, including through the use of social networks such as Facebook.
2. Any campaign materials or activities must conform to this Code and must not contain images or languages, or promote behaviour, that cause offence or that are misleading or defamatory.
3. Candidates are required to indicate on their Nomination Form that they have read and agree to abide by this Code. A copy of this Code shall be available for download on the Elections Central webpage at the same time as the Nomination Form is published, for candidates' reference.
4. Candidates should be aware that the Code of Conduct may change from year to year and they should not rely on experience of past years, but rather should consult the current year's Code.

3. Contact

1. Should there be a need to contact a candidate during the course of the election: only the contact details provided on the candidate's nomination form will be used.
2. All contact with the Returning Officer should be by email, directed to uow-elections@uow.edu.au.
