Scholarships at a glance

UOW Scholarships will help you reach your goals. We believe that excellence deserves reward – and if you're willing to put in the hard yards, then so are we.

We know that all students are different and have different needs and priorities, so we work hard to make sure that we have scholarships to suit all students.

This guide will show you UOW's scholarship options. For more information and to apply for a UOW Scholarship or Grant, visit uow.edu.au/about/scholarships

ACADEMIC

Academic Scholarships reward academic excellence and require a high level of achievement in the HSC (for students intending on studying at UOW in 2019). See page 2 for more information.

FACULTY

Faculty Scholarships recognise students' high achievement in study areas pertaining to the degree they want to pursue at UOW. Along with financial support, recipients will fulfil an ambassadorial role for the faculty by participating in events. See page 3-5 for more information.

WORK INTEGRATED LEARNING

Work Integrated Learning (WIL) Scholarships are sponsored by UOW's corporate partners. WILs combine financial support and work experience with the corporate sponsor providing the scholarship. Students gain valuable practical experience and contacts to enhance their degree. Eligible students will be enrolling in degrees that are in line with the sponsoring organisation's industry. See page 6 for more information.

CORPORATE

Corporate Scholarships are industry-specific scholarships provided by organisations to encourage students to study, or continue to study in a particular field. See page 7 for more information.

SPORTING

Sporting Scholarships provide financial support to talented athletes. They recognise the outstanding abilities of sporting men and women in their particular field and provide financial support to assist with the costs associated with competing at elite levels. See page 9 for more information.

EQUITY

Equity Scholarships provide assistance to students who are experiencing social or financial disadvantage. See page 10 and 11 for more information.

COMMUNITY

Community Scholarships are provided by local individuals and community groups to support high-achieving students who are particularly motivated and interested in a career path or who have come to UOW from a specific town or region. See page 12-14 for more information.

TUITION FEE WAIVER

Tuition Fee Waiver Scholarships provide a reduction of tuition fee for international students. Eligible students will be issued a tuition fee waiver scholarship alongside an Offer of Admission. See page 15 for more information.

ATAR AND SELECTION RANK

Many UOW scholarships include selection criteria based on ATAR. Some scholarships may consider the Selection Rank rather than ATAR, which is your ATAR plus any adjustment factors that you're eligible for. For more information about Selection Rank and adjustment factors, please visit uow.info/selectionrank

ACCOMMODATION

Accommodation scholarships contribute to the compulsory living costs at a UOW Residence. Living in a UOW residence means you become part of an instant community when you arrive in Wollongong. You'll make new friends before you start your classes and have access to all the services and support you need to be happy and succeed at university. Less worry about rent, means more time for study, friends and enjoying life in the 'Gong.

Academic Scholarships

UOW's Academic Scholarships reward academic excellence, and require a high level of achievement in final school exams.

Vice Chancellor's Academic Excellence Scholarships

For high-achieving candidates attending a school within our main drawing area: Illawarra, Southern Sydney, South Western and Western Sydney, Southern Highlands, the South Coast of NSW, and the ACT.

AMOUNT: \$3,000 for one year

NUMBER AVAILABLE: 150

SELECTION CRITERIA:

- Top performing students in the 2018 HSC and/or International Baccalaureate are selected by UOW. Selection is typically based on ATAR or equivalent.
- To be eligible, students must be attending a school within UOW's main drawing area.
- No application is necessary, as students are automatically considered by UOW based on information received directly from UAC.

To be eligible, students must have a UOW preference within their top four UAC preferences by 16 December 2018.

“

Being awarded the Faculty Undergraduate Scholarship was a great recognition of the effort I had put into the HSC, and receiving the Vice Chancellor's Academic Excellence Scholarship was an added bonus, which really kick-started my first year at uni.

The opportunity to undertake a research project after being awarded a Summer Vacation Scholarship gave me an insight into what my Honours year would be like very early in my degree.”
