TransGrid
Work Integrated Learning Scholarship

Number of Scholarships: ONE (1)
Value: $10,500
Year of Scholarship: 2008
Level of Enrolment: 2ND YEAR

TransGrid is a state owned high voltage electricity company providing transmission network throughout NSW. TransGrid is offering a Work-Integrated Learning Electrical Scholarship to provide a student with the opportunity to gain valuable professional work experience with over three summer and/or winter semester breaks. Applicants must be available to complete this professional work experience over a maximum of 12 weeks per year in 2008, 2009, and 2010.

Criteria:
Applicants for the TransGrid Scholarship must meet and address the following criteria:
- Applicants must be enrolled full-time, in their 2nd year of an Electrical Engineering undergraduate degree at the University of Wollongong in 2008.
- Applicants should be studying and have interest in power related studies.
- Applicants must achieve and maintain a credit average for the duration of the scholarship.
- Applicants must be Australian citizens or permanent residents of Australia.

Application Package:
Interested students will be required to provide the following information in support of their application:
- A completed Current Student Application Form from Student Central Building 17 or download [www.uow.edu.au/about/scholarships/currentforms/](http://www.uow.edu.au/about/scholarships/currentforms/)
- A brief cover letter and resume
- A copy of your academic records
- A one page outline of how the scholarship will assist you in your career ambitions.
- Please submit two (2) copies of your completed application package
