

## **Speed Interviewing: Thursday 7 Sept | 4pm - 5:30pm**

Participate in the Speed Interviewing session to learn interview techniques, practise answering a wide range of interview questions and develop your skill of creating a positive first impression from the moment you greet the interviewer.

The Speed Interviewing session gives you the opportunity to be interviewed by UOW alumni (graduates) and local business professionals from the private and public sector and receive constructive face to face feedback to ensure you enter every interview with confidence.

**Please note that this is a mock (pretend) interview scenario intended for skill enhancement only. There are no actual jobs available.**

### ***Structure of the day***

You need to arrive at 4.00pm to sign in with the interviews commencing at 4.30pm.

**Step 1:** Sign in at the commencement of your session

**Step 2:** You will receive a nametag with your seat number and row colour.

For example: Red Row – Seat 1, you will start at this seat number and then move along your row until you have been interviewed by 9 different interviewers.

**Step 3:** You will then be ushered to your seat and commence your speed interviewing experience.

**Step 4:** Your interviewer will ask you a common interview question and you will answer as if you are in a real interview situation. The interviewer will give you feedback on your answer and will offer advice on how to better answer questions in the future.

**Step 5:** A bell will sound every 5 minutes and you will be required to move on to the next interviewer.

**Step 6:** After you have moved through all 9 interviewers in your row your speed interviewing experience will be complete.

**Step 7:** Come along to the 'Networking After 5' session from 5:30pm. All participating interviewers and students are invited to attend, have some light refreshments and practice your networking skills in a relaxed environment.

***What do you need to do to participate?***

**Step 1:** Complete the [registration form online](#)

**Step 2:** You will receive an automated response advising you that your registration has been received.

Unfortunately places for the program are limited to 45 students. Due to the popularity of this program interviews will be allocated to the first 45 students who register online. Successful applicants will be informed via email.
