WELCOME TO ORIENTATION WEEK AT UOW!!!

Orientation is your introduction to the Wollongong campus and university life in general. It involves a variety of activities and presentations designed to allow you to familiarise yourself with staff and facilities, meet fellow students, finalise your enrolment, ask questions and have some fun.

Faculty Orientations involve activities designed to help you become familiar with the different styles of teaching and learning expected of students at university. Orientation Sessions run by other organisations on campus are designed to introduce you to the social and recreational side of university life. During O Week, you can also get information about resources and facilities, including university libraries, computer labs and student services such as course and careers advice, counselling, housing, health and finance.

**BY THE END OF O WEEK YOU SHOULD KNOW:**

- Where your Faculty is
- Where to go if you need help organising your subjects or picking your classes
- How to organise your tutorial enrolment
- Where Student Central is and what assistance they can offer
- What is SOLS and what you can do on it
- What additional support services are available for students
- Where the Library is
- Where the UniCentre is and what membership means for you
- What's on offer socially at UOW
- Who WUSA & WUPA are, what services they provide and what benefits membership may have
- Where URAC is and what membership means for you
- What ILIP is and how to complete it

We encourage you to attend the University's Official Welcome, Faculty Welcome and Information Sessions, as well as a variety of social events and information sessions on offer.

THE UNIVERSITY WELCOME

Embarking on a course of study at University is often a change of lifestyle for new students. Consequently the University conducts an official Welcome for students designed to address some of your questions and concerns.

As part of our Orientation, students are invited to a welcome by the Deputy Vice-Chancellor – Operations

THURSDAY, 22 FEBRUARY 2007

11.30AM – 12.30PM

UNIVERSITY HALL (BLD 11)

The Academic Registrar, Head of Student Services, President of the Wollongong Undergraduate Students’ Association, General Manager of the UniCentre, University Recreation and Aquatic Centre Executive Director and an invited Student Representative will also address students.

The University Welcome is designed to be both a social occasion and an informative opportunity for students to meet and talk with senior staff.

Following the University Welcome, entertainment will be provided on the Duck Pond Lawn.

We hope that you will accept this invitation and look forward to your company.
ILIP

>> Information Literacies Introductory Program
This is an online course that introduces students to information technology and research skills. ILIP100 is compulsory for all new UOW undergraduate students. ILIP009 is compulsory for all postgraduate coursework students who have not completed the online ILIP100 assignment in the past 5 years. ILIP Information Classes will be run during O Week, see pages 18 and 19 for times.

Are you ready...

What is Black Opal?
The University of Wollongong Black Opal Leadership Program is an exciting, innovative 3-year program that provides students with the opportunity to develop leadership and teamwork skills alongside their University degree. In a supportive and fun-filled environment, students nurture their leadership potential through community service, reflection, experience and event management. It is the only program of its type in Australia.

We are now taking applications! See website for details:
