The University of Wollongong (UOW) offers a diverse range of specialised, quality programs intended to maximise your choices in a rapidly changing world. The qualifications and experience of our academics ensure a dynamic learning experience that bridges the gap between theory and practice. Their opinions on a wide range of topics are sought globally, and strong links and regular interaction with industry and business allow us to base our teaching on the latest global trends and needs.

**Focused on you**

Our size makes the University a truly student-centred campus: smaller classes, individual attention, available staff, a personal approach and two-way communication. During enrolment and throughout your learning experience you can be assured of continued guidance and support.

**An inspiring study environment**

The UOW main campus is nestled at the foothills of Mount Keira, between tree-covered mountains and the Pacific Ocean, and close to the Wollongong city centre. It is easily reached by public transport. Buses run direct to the University from all areas of Wollongong. The North Wollongong railway station is a 15-minute walk from the University and is serviced by a regular shuttle bus.

We have respected our natural environment, creating a beautiful campus with streams, native gardens and abundant birdlife; as well as a number of outdoor cafés and the UniBar. The University is proud to offer you a quality of life difficult to find anywhere else. You will have the opportunity to try the world class University Recreation & Aquatic Centre and join a range of social, sporting, cultural and humanitarian clubs and societies.

Our international community draws students from around Australia and more than 70 countries.

**University of Wollongong Faculties**

- Faculty of Arts
- Faculty of Creative Arts
- Faculty of Commerce
- Faculty of Education
- Faculty of Engineering
- Faculty of Health & Behavioural Sciences
- Faculty of Informatics
- Faculty of Law
- Faculty of Science

**Recent achievements**

**AUSTRALIA’S NUMBER ONE TEACHING UNIVERSITY**

In August 2005, The Australian newspaper ranked UOW Australia’s number one university for teaching performance, based on the Australian Government Department of Education, Science and Training (DEST) ‘Student Outcome Indicators for the Learning and Teaching Performance Fund.’*

*The Australian, 12 August 2005

This ranking is based on a number of criteria, including:

- Percentage of graduates in full-time employment
- Percentage of graduates going on to further full-time study
- Pass-rates;

And on feedback from our students on:

- Generic skills acquisition
- Teaching standards
- Overall satisfaction

**A FIVE-STAR EDUCATION**

UOW received the maximum five-star rankings in six key categories in the 2006 Australian Good Universities Guide, which ranks Australia’s universities over a range of criteria. The University has been ranked the nation’s number one university for educational experience and graduate outcomes for the last five years. With the addition in 2005 of a five-star ranking for research intensity, UOW joined an elite group of just eight universities at the top of the rankings in this important category.

Our current maximum five-star rankings have been awarded in the categories of:

★★★★★ Research Intensity
★★★★★ Graduate Rating
★★★★★ Staff Qualifications
★★★★ Getting a Job
★★★★ Positive Graduate Outcomes
★★★★ Graduate Starting Salaries

**Fact File**

- University of Wollongong established 1951
- Students enrolled (on-shore & off-shore campuses) 17,917
- Total international students on-shore 3,379
- Total international students off-shore 2,598
- Total graduates to whom degrees and diplomas awarded since year of foundation 65,000
Who is the program for?

The Study Abroad program is designed for international students who wish to spend one or two semesters in a program of study at the University of Wollongong and transfer the credits to their home institution. For application procedure information see page 14.

International exchange program

The University of Wollongong has established formal exchange agreements with a number of leading universities in the Americas, Europe and Asia.

The International Student Exchange Program, the companion program to Study Abroad, allows a limited number of students to enrol each session. In this program, students are not required to pay tuition fees. If your university or college is listed below, contact your Study Abroad Adviser for more information about coming to Wollongong as an exchange student for one or two semesters.

Study Abroad Office

Located centrally on campus, the Study Abroad Office provides a link to your home university. Staff are available to provide assistance before, during and after your stay.

An orientation program, held the week before classes commence, allows you to become familiar with the University campus and the local area. The program includes an enrolment day, field trips to places of interest in the local region, and lectures on Australian flora and fauna. Prospective students who may need advice can email studyabroad@uow.edu.au

Visiting Research Practicum Program

The Visiting Research Practicum Program is designed for students from overseas universities who wish to obtain research experience or professional or industrial practice with a UOW research team. This professional practicum is for a limited period (usually between three and six months) and may be a formal requirement for the award of a degree at the student’s home university.

Practicum students are classed as non-award international students, making them eligible for a Student Visa and Overseas Student Health Cover.

Before formalising an application, students must contact the relevant Academic Unit or Research Unit and negotiate with a member of staff to supervise the project. As students will be enrolled in a research project and will not be enrolled in specific classes at the University of Wollongong, they will not receive an academic transcript from UOW.

Further information may be obtained from the Study Abroad Office. Email studyabroad@uow.edu.
Not only do students receive a world class education at UOW, they also have the chance to enjoy the unique lifestyle that the region offers. Wollongong is Australia's ninth largest city. The Illawarra region, including the city of Wollongong, has a population of about 330,000. Wollongong is easily accessible by rail and road from Sydney and Canberra; and its blend of lifestyle, natural beauty, culture and entertainment makes this cosmopolitan city a great place to live and study.

**The Wollongong Experience**

Wollongong is large enough to offer all the entertainment facilities and conveniences of the city, yet small enough to retain the friendly, relaxed atmosphere of a coastal community. Wollongong's size also makes it easy to navigate. The University campus is less than five kilometres from the centre of the city and beaches, and is easily accessible by public transport from all parts of the city.

Wollongong is home to more than 70 nationalities and boasts the largest Buddhist temple in the Southern hemisphere, the Nan Tien Temple. The familiar foods of home are available in many great restaurants and specialty grocery shops. The strong community spirit of Wollongong ensures a full calendar of events and festivities throughout the year.

Wollongong's coastal location provides a unique study environment. The city's 17 patrolled beaches are world class, offering spectacular surf, gentle estuaries, fishing and wonderful views, and most of them are within walking distance to shops, hotels and clubs, providing the perfect setting for a day out. Whether you're interested in surfing, swimming or just lazing in the sun, Wollongong has something for everyone.

Being a smaller and more relaxed environment does not prevent the Illawarra region from offering a wide choice of restaurants, bars and sidewalk cafés; the variety of cuisine reflects Wollongong's diverse multicultural community. The Illawarra offers shopping to suit all tastes, with a number of shopping malls in the city centre and suburbs boasting major department and chain stores, in addition to over 300 local shops and boutiques.

Wollongong has a wide choice of nightlife, with a number of pubs, clubs and live music venues. You can spend a quiet summer evening socialising in one of the many beer gardens, or dance the night away at a selection of nightclubs. There are also two major cinema complexes, as well as UniMovies on campus, which has the largest cinema screen in the Illawarra and a ticket price of just $4. The city centre incorporates an entertainment centre that regularly hosts international concerts and sporting events. The thriving arts community stages musicals, theatre and art exhibitions, and the Wollongong City Gallery has been recognised as the best regional gallery in Australia for its exhibitions and programs.

The region is home to a large range of nationally recognised sporting clubs, including rugby league, soccer and basketball teams that play regular home games. There is also a range of local sporting competitions available for membership such as netball, cricket, rugby league, rugby union, AFL, swimming and many more. The city also boasts 60 kilometres of scenic coastal cycle-way and a number of golf courses. The more adventurous may wish to test the Illawarra's reputation as a location for adventure sports such as skydiving, hang-gliding, mountain biking, surfing, scuba-diving, kayaking, and sailing.

The Illawarra region offers a coastal environment, with all the facilities, entertainment and experiences you would expect to find in a larger city. All of this is found less than ninety minutes south of Sydney, which is an easy train ride away, allowing you to travel to take in the sights, enjoy a harbour cruise, or climb Sydney's internationally recognised Harbour Bridge!
Postcards from the Illawarra

Wollongong, the largest city in the Illawarra region, is the gateway to some of the most beautiful landscapes and seascapes in Australia:

**MOUNT KEIRA**
At 469 metres, Mount Keira is the highest point in the Wollongong area. Extensively used for bushwalking, sight seeing and rock climbing, a 5.5km round trip trail takes walkers to the top and back in around 4 hours. Lookouts at the summit offer views of the Illawarra region, to Botany Bay in the north and Lake Illawarra in the south.

**JERVIS BAY NATIONAL PARK**
About an hour’s drive south of Wollongong, the area contains magnificent national parks, hidden creeks and inlets, secluded bays, white sand beaches, rugged scenery and hinterland that is ideal for bushwalking. Dolphin and whale-watching cruises are also popular with visitors.

**MINNAMURRA RAINFOREST**
A sub-tropical oasis and popular picnic spot situated just 30 minutes drive south of Wollongong.

**FITZROY FALLS**
One of the most popular destinations in the New South Wales Southern Highlands. Just 40 minutes from Wollongong, its walking tracks offer spectacular views of the surrounding national park areas.

**KANGAROO VALLEY**
A delightful rural village and weekend destination. The Kangaroo River, spanned by the impressive Hampden Bridge, is popular for both swimming and exhilarating canoe rides.

**STANWELL PARK**
Just over 30 minutes drive north of Wollongong, this is a world famous hang-gliding site on the southern edge of the Royal National Park, where you can horseride and picnic on the beach.

**BARREN GROUNDS NATURE RESERVE**
This 1750 hectare nature reserve at the top of Jamberoo Pass is a bird watcher’s delight. It offers several walks through the heathland and boasts magnificent coastal views from rocky outcrops.

**BASS POINT RESERVE, SHELLHARBOUR**
This significant headland features one of the few diverse littoral rainforests in the Illawarra region, a large collection of significant Aboriginal and European heritage sites and extensive marine habitats.

**KILLALEA STATE PARK, SHELLHARBOUR**
Killalea is a spectacular tract of coastal land which has been dedicated as a public recreation reserve. It has one of the best surf beaches on the south coast of NSW and is also popular for scuba diving, snorkelling and fishing.

For more information about Wollongong, visit the Tourism Wollongong website at: [www.tourismwollongong.com](http://www.tourismwollongong.com)
UOW students enjoy a wide range of facilities and services that add to their University experience and assist their studies.

The University offers state-of-the-art computer laboratories and online access to enrol in subjects and obtain your subject results, along with 24-hour electronic access to the Library. The Library also provides photocopying, printing and binding services. Each faculty will have a range of contemporary facilities at your disposal.

**UniCentre**

< http://unicentre.uow.edu.au/ >

At the centre of the on-campus social life, the UniCentre provides students with a range of services and facilities, including a wide range of take-away food outlets, restaurants and cafés serving a variety of cuisines. Other facilities on-campus include a bank, bookshop, Australia Post Office, medical centre, conference and meeting rooms, travel agency, discount movies and a hairdressing salon.

**Sport and Recreation**

< www.uow.edu.au/urac/ >

The University Recreation and Aquatic Centre offers world-class facilities for sport and recreation. Facilities include playing fields, all-weather outdoor playing surfaces, a 50-metre outdoor heated swimming pool and tennis courts. The newly renovated Centre has a fully equipped gymnasium, squash courts, basketball courts and café. Activities offered include fitness classes, leisure and outdoor activities, learn-to-swim classes and social sports competitions. There are 23 sporting clubs covering sports from baseball, basketball, soccer, cricket and rugby, to more adventurous activities like scuba diving and underwater hockey.
Centre for Student Development
<http://unicentre.uow.edu.au/csd/>

The mission of the Centre for Student Development (CSD) is to design, coordinate and facilitate a range of innovative educational opportunities that develop students alongside of their academic programs, and help prepare them to competently engage with the world after university. Campus culture is formed by the many great activities on and around campus. Activities and programs include orientation; theme weeks; market days where students can set up their own stalls; poetry, art and photo competitions; and a range of other fun cultural events.

Entertainment
<http://unicentre.uow.edu.au/whats-on>

The UniBar is the centre of campus entertainment. The smoke-free facility includes a main bar and food service area, quiet lounge and courtyard, outdoor terrace with seating areas, and pool tables. The best of contemporary local, national and international music is on offer live on stage every Thursday evening during session. CSD also organises a range of other great events to make sure you have fun throughout the year, including the legendary Garden Party, Winter Garden Party, Wednesday night chill, free lunchtime entertainment, Friday night Slide, weekly trivia, pool competitions, comedians, and DJ competitions. For up-to-date information about entertainment on campus, visit or subscribe to What's On at the URL listed above.

UniMovies

Movies are screened every Wednesday and Friday evening in the University Hall. At only $4 a ticket, UniMovies provides one of the best entertainment bargains, as well as the largest movie screen in Wollongong, and a quality digital sound system. Latest releases, and a number of foreign and arthouse films are screened throughout the year.

UniCrew

Our volunteer program gives you hands-on experience developing your practical skills. Involvement can include orientation leadership, theme week organisation, market research, web development, photography, journalism, event management, program administration and activity promotions.

Clubs and Societies

There are over 50 clubs and societies on campus, encompassing a broad range of social, sporting, cultural, religious and humanitarian interests. There is something for all talents and tastes such as the Writers’ Group, the Permaculture Club, Toastmasters, the Geosciences Society, the Meditation Society, the Wine Society and the Happy Bellies Food Co-op. Join any existing society, or get a group together and start up one of your own. There are also a number of clubs run by and for international students from various backgrounds to get to know one another.

The UniCentre and the Students’ Association manage the clubs; and the email addresses for all UOW clubs can be found on the Clubs and Societies website.

Community Service

The Green Team is about getting your hands dirty in great wilderness areas like Jervis Bay, Kangaroo Valley, Lake Illawarra, Kllalea and Mount Keira. The aim of this program is practical environmental conservation through bush regeneration, wildlife monitoring, environmental management and education.

Project Challenge

Travel, indigenous cultures, adventure, leadership, service learning, education - explore the awesome area of Kakadu in the Northern Territory of Australia with our Domestic Challenge. Contact the CSD for more information.

Training workshops

This is your opportunity to experience passionate speakers who will develop your skills with a range of professional and personal workshops such as Public Speaking, Conflict Resolution, Team Work, Event Management, Business Networking, Achieving Your Potential, How to be Successful, and Leadership Techniques.

Work experience

Internships with local businesses are all about giving you a taste of your future in the world of employment. This program provides you with a great opportunity to do a voluntary work experience project, make valuable business contacts, get a reference, and be able to list a completed work project on your résumé.
Academic Support

LIBRARY
< www.library.uow.edu.au >

The University library has a comprehensive selection of print and electronic information including electronic journals; index and abstracting services; links to subject-based resources throughout the world; standards and statistical information as well as an on-line library catalogue. With your student identity card and your UOW email account you will be able to access quality electronic information resources through the Library's website, 24 hours a day. Expert help to locate and evaluate information is available at the Information Desk; in workshops; on the web; and in lectures.

STUDENT COMPUTER RESOURCE CENTRE
< www.uow.edu.au/its >

UOW’s Information Technology Services (ITS) provides training, user-guides and the student computer resources, including eight central student computer laboratories equipped with 500 desk-top computers, as well as teaching laboratories. Students can access email, the Internet, software and laser printers. Teaching laboratories contain special purpose software for tutorials run by individual departments. Staff can provide you with assistance with laboratory equipment, software, and on-line training.

LEARNING RESOURCE CENTRE
< www.uow.edu.au/student/services >

The Learning Resource Centre, part of the Learning Development Unit, offers help and free services to students who wish to improve their academic and English language skills. Services and facilities include academic skills programs; English workshops; individual consultations; and resources for postgraduate students, including a wide range of self-access resources on the interactive UniLearning website.

WOLLONGONG UNDERGRADUATE STUDENTS’ ASSOCIATION (WUSA)
< wusa.uow.edu.au/ >

The Wollongong University Student Association is a council elected by the student body. All undergraduate students are able to vote and to run for a position on WUSA. WUSA provides free advocacy and support for students who are experiencing difficulties with their studies, produces a student newspaper, runs a second hand bookshop, provides cheap photocopying, faxing and binding, and provides free tea and coffee, and interest-free emergency loans of up to A$25.

Welfare, Advocacy and Student Services

INTERNATIONAL STUDENT ADVISERS
< www.uow.edu.au/student/services/isa >

Student Advisers will help you settle into your postgraduate university life in Australia. They assist with orientation to the local area, homesickness, study difficulties, academic concerns, budgeting, legal/accidents, immigration, health, personal problems, family emergencies and children’s education. The ISAs are also student advocates. They can provide links with the Australian community and give information on returning home when you complete your studies. The service is free and completely confidential.

ILLAWARRA COMMITTEE FOR INTERNATIONAL STUDENTS (ICIS)
< www.uow.edu.au/student/services/isa/ICIS.html >

ICIS is a community organisation funded by the University, which provides support and activities for international students at UOW. The Committee organises events in which international students and the Australian community can interact and become aware of each other’s cultures. It coordinates bus trips, orientation activities, an English conversation group, student dinners and other social occasions.
INTERNATIONAL FRIENDSHIP PROGRAM
< www.uow.edu.au/student/services/isa/IFP.html >
The IFP promotes cultural exchange between members of the Wollongong community and individual international students. Interested students can be linked with a "friend" to arrange to meet occasionally for a simple activity such as sightseeing, seeing a movie, shopping or sharing a meal. This helps students learn about the Australian lifestyle and assists the local community to learn about the varied cultures of our students. Students are invited to join the program during Orientation Week.

CAREERS SERVICE
< www.uow.edu.au/careers >
The Careers Service assists students with their career plans and provides them with the skills to carry out their career decisions. It has a resource library with information on individual occupations; job seeking skills and organisations that recruit graduates here in Australia and overseas; job boards; company employment websites; and resources on voluntary and overseas work placement opportunities.

DEAN OF STUDENTS
< www.uow.edu.au/students/services/dos >
The Dean of Students oversees the welfare of all students and advocates on their behalf. Problems with admission, enrolment, assessment, progression, transferring courses and similar matters may be referred to the Dean if the relevant Faculty or Department cannot resolve them.

DISABILITY SERVICES
< www.uow.edu.au/student/services/ds >
Access and resources are available for students with disabilities. Disability services facilitate the transition to university life and completion of studies. The Disability Liaison Officer supports students during their enrolment and throughout their stay. Specialised equipment; notetakers; volunteer readers; and peer support networks may be provided. Prospective Study Abroad students must notify the University of their special needs before arriving at UOW to ensure that their needs can be accommodated.

COUNSELLING SERVICES
< www.uow.edu.au/student/services/cs >
The Counselling Service provides confidential, professional and sympathetic help at times of difficulty, conflict or crisis. This service is available at no charge.

MEDICAL AND HEALTH SERVICES
< unicentre.uow.edu.au/facilities/services/medicalservices >
A range of health and medical services is provided on the first floor of the UniCentre, including optometry, dentistry, naturopathy and acupuncture. Appointments and transport to a doctor (general practitioner) can be arranged through the centre.

RELIGIOUS SERVICES
< unicentre.uow.edu.au/facilities/services >
There is a range of services for different religious groups, including a Muslim prayer space, a mosque within walking distance of the University and also a Buddhist Temple in the city of Wollongong. The University's Chaplaincy Service offers fellowship, personal counselling and guidance as well as leadership in doctrinal studies and worship. Student-based religious clubs include the Buddhist Society; Catholic Club; Chinese Christian Fellowship; Evangelical Christian Union; Indonesian Christian Fellowship; and the Muslim Students Association.

CENTRE FOR STUDENT DEVELOPMENT (CSD)
< www.unicentre.uow.edu.au/csd >
CSD designs and facilitates a range of opportunities for students including cultural and social activities, clubs and societies, adventure leadership and much more. See page 9 for more information.
The University of Wollongong offers a variety of accommodation options for students:

- University-managed residences and apartments (catered or self-catered)
- Homestay with a local family
- Private rental in shared houses or apartments

The Residences

If you want to live in a community with academic support, pastoral care and the chance to mix with other residents, the fully catered University residences may be the best choice. These residences include Campus East, Weerona College, International House, and Richard Johnson College.

University-managed Apartments

For a little more independence and small-group living with the security of University management you may consider applying to live at Graduate House, Keiraview, Kooloobong, or the International House Apartments. This style of accommodation provides:

- independent cooking facilities in each unit
- single or shared study bedroom (furnished room with wardrobe, desk, chair, bed)
- living and dining room furnishings (residents provide their own cooking utensils, crockery, cutlery, and cleaning equipment).

Applying for University Accommodation

Applications should be lodged online through the following website: http://apply-accom.uow.edu.au, which includes information about application fees and the guaranteed housing deposit for international students.
Your application must be received by the following dates:

- **30 November** for commencement in Autumn Session (February)
- **1 May** for commencement in Spring Session (July)

**Homestay**

For further information on homestay accommodation with a local family, visit: [www.australianfamilyhomestays.com](http://www.australianfamilyhomestays.com)

**Private Accommodation**

Affordable private accommodation is readily available in Wollongong. There are two styles: shared and single. Occupants of most shared accommodation will divide household expenses such as telephone and electricity.

Typical costs for private rental are shown below (note that these are approximate costs in A$ and may vary):

- Unfurnished room per week: $60–$90
- Furnished room per week: $90–$120
- Apartment (unfurnished) per week: $90–$180
- House (3 or 4 bedrooms, unfurnished): $250–$350

If you want to live in private accommodation you should arrive in Wollongong at least four weeks before session. Accommodation Services holds a database of rental accommodation and can provide assistance to students seeking private accommodation. Short-term accommodation can be booked before your arrival in Australia so you have somewhere to stay while you are looking for a more permanent arrangement. It can be requested on the Airport Pickup application which is at: [http://accommodation.uow.edu.au/about/accommodation/airport/index.html](http://accommodation.uow.edu.au/about/accommodation/airport/index.html)

Apt=Apartment. * Fees are correct at time of publication and are subject to change. Students are advised to check the latest fees information for the range of room sizes available in each residence at: [www.uow.edu.au/about/accommodation/docs/fees.pdf](http://www.uow.edu.au/about/accommodation/docs/fees.pdf)

Further information about facilities at each residence can be found at: [www.uow.edu.au/about/accommodation/](http://www.uow.edu.au/about/accommodation/)
Admission requirements
For the Study Abroad & Exchange Programs, applicants must have completed at least one year of study at a university or other recognised tertiary institution and be currently enrolled at an overseas university. Admission is guaranteed, subject to other specified requirements, for students with a Cumulative Grade Point Average (GPA) of 3.0 or higher on a scale of 4.0; or equivalent.

English language requirements
All students whose first language is not English are required to provide evidence that they satisfy the University's English language requirements.

For most courses the minimum requirements are:
- IELTS
  - Academic overall 6.0, and
  - 6.0 in reading & writing.
- TOEFL
  - 550 paper
  - 213 computer
  - 4.0 TWE/Essay Rating
  - 78 internet-based with not less than 20 in writing, 18 in reading, 17 in listening and 16 in speaking.

In most countries, the IDP Education Australia offices or the British Council offices conduct IELTS tests. You should arrange to forward a certified copy of your test results to the University as soon as you receive them. Students undertaking the TOEFL test should arrange for Princeton to forward their results directly to the University of Wollongong using the institution code 9799. Information on the IELTS and TOEFL tests can be obtained from www.ielts.org and www.toefl.org respectively.

In Australia, the Wollongong University College (WUC) can offer you a choice of English Language programs. Contact the UOW Study Abroad Office or visit www.wuc.edu.au for further information.

Application procedure
Before applying, students should also check with their Study Abroad Adviser to see if there are special program arrangements with the University of Wollongong.

STEP 1
Submit a completed Study Abroad & Exchange Program Application Form to the UOW Study Abroad Office. Application forms can be obtained from your Study Abroad Adviser, or you can print one from www.uow.edu.au/prospective/studyabroad/forms/.

The following must be included with your application form:
- An original copy of your academic transcript
- An original copy of your English language results if applicable
- A supporting letter from a faculty member or from your Study Abroad Adviser

STEP 2
The application is assessed by the UOW Study Abroad & Exchange Office.

STEP 3
You will be notified of the outcome of your application. Successful applicants receive an offer of admission ('offer letter') to the UOW Study Abroad & Exchange Program via email in PDF format. Accommodation application instructions and further pre-arrival information to assist with preparation for the trip to Wollongong is included.

STEP 4
Return the following to the Study Abroad & Exchange Office:
- The formal acceptance of the offer
- Study Plan (this must be returned by the deadline)
- Health insurance (OSHC) payment
- Tuition fees for one session.
STEP 5
Apply online for University-managed accommodation and complimentary airport pick-up.

STEP 6
The UOW Study Abroad & Exchange Office will send you an electronic confirmation of enrolment (eCOE) via email once all relevant fees have been processed. You will use the eCOE and the eCOE number (located at the top right of the email) to apply for an Australian student visa.

STEP 7
Application for your student visa is made at your nearest Australian Embassy, High Commission or Consulate (see next column).

STEP 8
You should arrive in Wollongong during the weekend prior to the start of orientation, as attendance at orientation is compulsory.

Important Application Dates
UOW Study Abroad & Exchange Program Applications

SEMESTER PROGRAMS
Autumn Session (February – June) 1 November
Spring Session (July – November) 1 April

Pre-Semester Programs
January/February 1 October
June/July 1 April

STUDY PLANS DUE
Autumn Session (February – June) 30 November
Spring Session (July – November) 1 May

Obtaining a student visa
Students from Assessment Level 1 countries are able to lodge visa applications and be granted a student visa to study in Australia for up to 12 months over the internet. Applicants must be over 18 years of age and be applying for visa subclass 573 (Higher Education Sector).

Assessment levels are listed at www.immi.gov.au/study/visas/subclasses_assessment.htm and information on applying for the student visa electronically is available at www.immi.gov.au/e_visa/students.htm

Students should contact the nearest Australian diplomatic office as soon as possible after receiving their offer, as medical checks and X-rays may be required. It is important to allow time for this.

Can I work in Australia?
Study abroad students are allowed to work for a maximum of 20 hours a week during session and up to 40 hours per week during their vacations as long as they have upgraded their student visa to include a “permission to work” status. This can be arranged with the Department of Immigration and Multicultural Affairs after arrival in Australia at a cost of $50.

Typical budget for one session

TOTAL $14000–$16000

*Including accommodation, food, entertainment, books, transport. Living expenses will vary according to individual circumstances.

Financial Aid
US STUDENTS
Many US students are eligible to apply for their regular Federal Financial Aid in order to undertake their studies at the University of Wollongong. Please contact your institution’s financial aid office to confirm that financial aid is available for overseas study and to find out if you are eligible for loan money.
Selecting subjects and obtaining advice

Courses (called ‘subjects’ at UOW) can be chosen from the full range of degree programs offered by the University, and studies can be undertaken across disciplines.

Subjects are taught as a mix of lectures, tutorials or seminars, laboratory work where appropriate, and individual study. As a Study Abroad/Exchange student you will be assessed in the same way as Australian students.

Planning a program of study

Study Abroad/Exchange students enrol for one or two sessions as a Non-Award student.

University sessions (semesters) commence in either Autumn or Spring.

If you would like to have proposed subjects assessed based on your academic background prior to your arrival, you will be required to submit a UOW Study Plan as attached in your offer letter. This can assist with academic planning. Whilst every effort is made to obtain approval of selected subjects, this is not guaranteed. Students should be flexible with subject selection, and come prepared with additional subjects they can study while at UOW.

Academic advice on your program of study can be obtained from faculty staff during orientation. We strongly advise that you bring an up-to-date copy of your transcript or academic records from your home university or college, as well as course catalogues, with subject descriptions. It is the responsibility of each applicant to ensure that the proposed program will earn the credits needed to satisfy the authorities at their home university or college.

List of subjects
Subjects are listed in alphabetical order and not all subjects are offered each session or year. This subject information is based on the 2006 Timetable and should be used as a guide only. For further information please go to www.uow.edu.au/handbook and select Subject Descriptions.

Subject Information
Subjects with an Australian focus

100 level Usually introductory level
200 level Normally requires some background knowledge of the subject area
300/400 level Advanced level undergraduate
6cp/8cp Credit Point value of the subject

Workload
Generally, Study Abroad students enrol in three or four subjects per session. To give yourself some flexibility with timetabling during enrolment, you should obtain approval in advance for five or six subjects per session.

In determining your individual program, you should note that:
- subjects are offered on a credit point basis
- normal full-time course load is 48 credit points over two sessions, or 24 credit points for one session (in either Autumn or Spring session).

One credit point has an implied workload of two hours per week. Six credit points represents a minimum of 12 hours of work: this may be 3 hours of lectures, 4 hours of reading and 5 hours of personal study or essay writing. Many students will spend fewer than 15 hours a week in contact with lecturers or tutors but will be expected to prepare for these classes with reading and tutorial preparation. Australian students are required to be self-directed in their study and to submit a considerable amount of written work in assignments and seminar or tutorial papers.

Assessment
The assessment details for each subject are available under "Subject Information" in the online student calendar. Go to www.uow.edu.au/handbook and select Subject Descriptions. A comprehensive syllabus outlining assessment and other expectations is provided to students in the first lecture of each subject.

The Grading System
High Distinction (HD) 85–100%
Distinction (D) 75–84%
Credit (C) 65–74%
Pass (P) 50–64%
Pass Conceded (PC) 45–49%
Pass Restricted (PR) 45–49%
Fail (F) 0–44%

Transcripts
Transcripts of results for individual students are issued by the University at the end of each session, giving details of subjects taken and final grades and marks awarded. Official copies of the transcripts are sent to each student’s home institution/program provider for credit transfer.

UOW Sessions
AUTUMN SESSION
> February - June
SPRING SESSION
> July - November
Session dates for 2006-07 are listed on the back cover.
The Faculty of Arts

AUSTRALIAN STUDIES

**Autumn Session**

- AUST101 Australian Studies: Cultures and Identities 6cp
- AUST246 A Sociology of Australia's Indigenous People: Contemporary Issues 8cp
- AUST300 Twentieth Century Australian Literary Culture 8cp

**Spring Session**

- AUST101 Australian Studies: Cultures and Identities 6cp
- AUST246 A Sociology of Australia's Indigenous People: Contemporary Issues 8cp

ABORIGINAL STUDIES

**Autumn Session**

- ABST150 Introduction to Aboriginal Australia 6cp
- ABST200 Aboriginal History Since Invasion 8cp
- ABST201 Redefining Eden: Indigenous People and the Environment 8cp
- ABST361 Introduction to Aboriginal Arts & Society 6cp

**Spring Session**

- ABST150 Introduction to Aboriginal Australia 6cp
- ABST202 Indigenous Self-Representation in Contemporary Texts 8cp
- ABST300 Indigenous Theories of Decolonization 8cp
- ABST362 Aboriginal Pedagogy 8cp

I chose Wollongong as it was awarded Australia’s university of the year - twice. I’ve met so many people since coming here. I have also learnt many new things about myself, including the realisation that I can make my dreams come true.

### School of Accounting and Finance

**Autumn Session**
- ECON341 Special Topics In Economics A 8cp
- ECON333 Conflict and Co-operation 8cp
- ECON322 Mathematical Economics 8cp
- ECON309 Environmental Economics 8cp
- ECON310 Cost Benefit Analysis 8cp
- ECON322 Mathematical Economics 8cp
- ECON311 Financial Economics 8cp
- ECON333 Conflict and Co-operation 8cp
- ECON341 Special Topics In Economics A 8cp

**Spring Session**
- MGMT317 Business to Business Marketing 6cp
- MGMT320 Social Marketing 6cp
- MGMT395 Tourism Marketing 6cp
- MARK301 Marketing on the Internet 6cp
- MARK317 Business to Business Marketing 6cp
- MARK320 Social Marketing 6cp
- MARK395 Tourism Marketing 6cp

### School of Arts and Design

The Graphic Design and New Media major enables an interdisciplinary approach to the study and practice of creative print and screen-based design. Student work is shown throughout the year in one of five gallery spaces in the Faculty. The Visual Arts major is based in studio practice and related theory and history studies. The studio processes available cover most two and three dimensional art media. Students' work is shown throughout the year in one of five gallery spaces in the Faculty.

### Faculty of Creative Arts

Enrolment in subjects marked (M) is limited to students with a creative arts major at their home university. Students wishing to take any of these subjects are required to submit a portfolio or audition tape as soon as possible after they receive their University of Wollongong offer letter. Portfolios and tapes must be received prior to arrival in Australia. Subjects marked (E) may be taken by students with a minor or a background in the creative arts. It may be necessary to provide evidence of relevant subjects already completed before enrolling in these subjects.

**Autumn Session**
- CREA202 Professional Practices 2 6cp (M)

**Spring Session**
- CREA102 Professional Practices 1 6cp (M)
The Sound, Composition and Production course explores the major facets of Music Composition, Digital Sound Studies and Sound Production. This course explores the creation and manipulation of sound, in particular through the use of digital technologies. It will be suitable for students from a traditional music background as well as those who have developed an interest in sound design and music composition through computer-based technologies.

STUDY ABROAD PROSPECTUS

The Faculty of Engineering

(see also Informatics)

All undergraduate engineering subjects in the Faculty of Engineering (Civil, Environmental, Materials, Mechanical, Mechatronics and Mining) with the exception of the professional option and the scholars project subjects are open for enrolment to study abroad students provided they meet appropriate prerequisites and corequisites and assumed knowledge. Students must seek advice from the Faculty upon arrival before formal enrolment.

NURS162 Effective Communication in Health Care Relationships 6cp
NURS163 Fundamentals of Nursing 6cp

"Wollongong was my study abroad destination as it is close to a big city (Sydney), but has the advantages of a small city university - reduced cost of living and a beautiful environment, perfect for mountain-bike riding, hiking and surfing. The academic support has been great, so much so that I chose Wollongong to complete my Masters degree."

The Faculty of Law

Law subjects are subject to quotas and study plans must be pre-approved by the Faculty of Law. Approval is granted on the basis of fulfilling all existing prerequisites.

ERIKA HARUTANI
DOSHISHA UNIVERSITY, JAPAN
The Faculty of Science

SCHOOL OF BIOLOGICAL SCIENCES
Field based research in some subjects takes advantage of the proximity of many natural and undisturbed marine, estuarine, freshwater and terrestrial ecosystems.

Autumn Session

BIOL104 Evolution, Biodiversity and Environment 6cp
BIOL213 Principles of Biochemistry 6cp
BIOL240 Functional Biology of Plants & Animals 6cp
BIOL251 Principles of Ecology and Evolution 6cp
BIOL292 Special Biology Studies 6cp
BIOL303 Biotechnology: Applied Cell & Molecular Biology 8cp
BIOL320 Molecular Cell Biology 8cp
BIOL332 Ecological and Evolutionary Physiology 8cp
BIOL351 Conservation Biology: Marine and Terrestrial Populations 8cp
BIOL352 Biology For Environmental Engineers 6cp
BIOL391 Advanced Biology 16cp
BIOL392 Advanced Biology 8cp

Spring Session

BIOL103 Molecules, Cells and Organisms 6cp
BIOL214 The Biochemistry of Energy and Metabolism 6cp
BIOL215 Introductory Genetics 6cp
BIOL241 Biodiversity: Classification and Sampling 6cp
BIOL292 Special Biology Studies 6cp
BIOL321 Cellular and Molecular Immunology 8cp
BIOL355 Marine and Terrestrial Ecology 8cp
BIOL356 Marine and Terrestrial Ecology (Environmental Science) 8cp
BIOL391 Advanced Biology 16cp
BIOL392 Advanced Biology 8cp
MARE300 Fisheries and Aquaculture 8cp
SCIE122 Biology For Nursing 6cp

SCHOOL OF CHEMISTRY

Autumn Session

CHEM101 Chemistry IA: Introductory Physical & General Chemistry 6cp
CHEM103 Introductory Chemistry For Engineers 6cp
CHEM211 Inorganic Chemistry II 6cp
CHEM212 Organic Chemistry II 6cp
CHEM215 Food Chemistry 6cp
CHEM218 Special Chemistry Studies 6cp
CHEM314 Instrumental Analysis 8cp
CHEM327 Environmental Chemistry 8cp
CHEM340 Chemistry Laboratory Project 8cp
CHEM350 Principles of Pharmacology 8cp
CHEM364 Molecular Structure and Spectroscopy 8cp

Spring Session

CHEM102 Chemistry IB: Introductory Organic & Physical Chemistry 6cp
CHEM213 Molecular Structure, Reactivity and Change 6cp
CHEM214 Analytical and Environmental Chemistry 6cp
CHEM218 Special Chemistry Studies 6cp
CHEM301 Advanced Materials and Nanotechnology 8cp
CHEM320 Biological Chemistry 8cp
CHEM321 Organic Synthesis and Reactivity 8cp
CHEM330 Medicinal Chemistry 8cp
CHEM340 Chemistry Laboratory Project 8cp

SCHOOL OF EARTH & ENVIRONMENTAL SCIENCE
Refer also to Biological Sciences, Chemistry, Environmental Engineering, Marine Science and Science and Technology Studies.

Autumn Session

EESC101 Planet Earth 6cp
EESC103 Landscape Change and Climatology 6cp
EESC201 Earth Surface Processes and Products 6cp
EESC203 Biogeography and Environmental Change 6cp
EESC205 Population Studies 6cp
EESC212 Geographical Population Studies 8cp
EESC301 Plate Tectonics, Macrotopography and Earth History 6cp
EESC303 Fluvial Geomorphology and Sedimentology 6cp
EESC305 Remote Sensing of the Environment 6cp
EESC307 Spaces, Places and Identities MARE200 Introduction to Oceanography 6cp

Spring Session

EESC102 Earth Environments and Resources 6cp
EESC104 The Human Environment: Problems and Change 6cp
EESC202 Soils, Landscapes and Hydrology 6cp
EESC204 Introductory Spatial Science 6cp
EESC206 Discovering Downunder: A Geography of Australia 6cp
EESC208 Environmental Impact of Societies 6cp
EESC210 Social Spaces: Rural and Urban Social Geography 8cp
EESC213 Introduction to Spatial Science 8cp
EESC214 Discovering Downunder: a Geography of Australia 8cp
EESC215 Environmental Impact of Societies 8cp
EESC252 Geology for Engineers I 6cp
EESC304 Geographic Information Science 6cp
EESC306 Resources and Environments 6cp
EESC308 Environmental and Heritage Management 6cp

“Studying abroad has been a dream come true. I have learned so much about understanding another culture. Living a completely independent life and gaining a quality education has been a great experience. Wollongong is perfect for international students.”

PETRA ARKO
UNIVERSITY OF LJUBLJANA, SLOVENIA
Aboriginal Studies

The Woolyungah Indigenous Centre is involved in support, teaching, course development, research, tutoring programs and in Aboriginal community projects.

Subjects include:

**ABST100 INTRODUCTION TO ABORIGINAL CULTURES**

An introduction to the relationships between Aboriginal Peoples, land and cultures from pre-European to present times. Topics will vary from time to time, but could include identities, kinship, gender, childhood, Elders, authority, decision-making, conflict management, language, communication and local organisations. The subject has a particular emphasis on identifying and maintaining the cultural heritage of South Coast Aboriginal Peoples.

**ABST150 INTRODUCTION TO ABORIGINAL AUSTRALIA**

A general introduction to cultures, histories, and select current issues within Aboriginal Australia, through the key concepts of colonisation and sites of struggle. Topics vary, but may include the Dreaming, identity, kinship, music, art, literature, language, government policies, land rights, sovereignty, and appropriation of Aboriginality.

**ABST200 ABORIGINAL HISTORY SINCE INVASION**

An introduction to the field of Aboriginal history, with emphasis on directions set by Aboriginal historians. It also explores the oral tradition, and develops student understandings of the complexities of Aboriginal histories from 1788 by discussing a range of themes. Within this context the subject also encourages the exploration and retrieval of Aboriginal histories of the South Coast.

**ABST300 INDIGENOUS THEORIES OF DECOLONISATION**

This subject aims to enhance students’ sociological and historical understandings of the processes of decolonisation and their own relationship to these processes. It examines a range of international and local theories formulated by Indigenous Peoples (such as Fanon, Friere, Langton, Smith, Memmi, Min-ha, Nandy and others) and explores their relevance to the Australian situation. Key themes within this subject are power and empowerment at global, national, community and individual levels.

**VISA123 INTRODUCTION TO ABORIGINAL ARTS AND SOCIETY**

This subject provides an approach to discovering the rich diversity of Aboriginal art giving consideration to both traditional and new forms of cultural expression. The subject surveys developments in Aboriginal literature, music, performance and the visual arts, focusing on contemporary Aboriginal artists and the contexts in which they practice.

Australian Studies

Australian Studies in history, politics, literature, media, sociology, science and technology and gender. Subjects are designed to introduce students to the various ways Australian issues are addressed and analysed by a variety of interdisciplinary and disciplinary approaches.

**AUST101 AUSTRALIAN STUDIES: CULTURES AND IDENTITIES**

This subject explores some of the principal features that characterise images of Australia, Australians and the Australian continent. It approaches the issues of an Australian identity from a historical and cultural perspective and asks what ‘being Australian’ has meant to different people at different times, both for the social groups and individuals who have shaped dominant notions of national identity and those who have challenged them.

**AUST246 A SOCIOLOGY OF AUSTRALIA’S INDIGENOUS PEOPLE: CONTEMPORARY ISSUES**

An analysis of the present day position of Australia’s indigenous people in their relations within Australian society. Persisting questions of social justice, land rights and self-determination and representation supply the central foci of the subject. The subject emphasises both the particular cultural and historical contexts and the common themes in the indigenous experiences of Australian society. Lecture topics include the various government policies, including health and education, land rights, civil rights and self-determination and self-government campaigns and national reconciliation.

**EESC206 DISCOVERING DOWNUNDER: A GEOGRAPHY OF AUSTRALIA**

This is a broad yet coherent overview of the physical and human environments of contemporary Australia. How did Uluru and the Great Barrier Reef form? Why is Sydney particularly vulnerable to bushfires? Which is the most multicultural Australian city? Where is the Back of Bourke? Topics include landforms; climate; vegetation; coasts; rivers and deserts; indigenous Australia; population; industry and agriculture; cities, suburbs and rural settlement; and interactions with Australia’s near neighbours.

**ENGL120 INTRODUCTION TO LITERATURE & SCREEN STUDIES**

This subject is an introduction to the ‘reading’ and criticism of texts in various forms and media. Students will be introduced to critical reading of texts drawn from prose fiction, poetry, advertising, journalism, theatre, film, television, etc. The texts selected for study will be treated on their own individual terms as expressive communicative examples of the various forms and media.
HIST218 CONSENSUS, CONFLICT AND CULTURE: AUSTRALIA 1888–1988

This subject examines the history of Australians and their society in the second century of European settlement; focussing on how Australians understood their society, and how those understandings helped shape Australian history.

A resource guide for Australian Studies developed by the UOW Library is available at www.library.uow.edu.au/eresources/subjects/oz/credits.html

PHYS295 ASTRONOMY – CONCEPTS OF THE UNIVERSE

This subject takes a non-mathematical approach to Astronomy. No prior knowledge of physics is required to do the subject. This course will illustrate the techniques used by astronomers and will attempt to give an understanding of the universe as we presently understand it. The use of telescopes will give the opportunity to observe the phenomena discussed and more directly observe the southern sky as seen from Australia.

Additional options at UOW that can be taken for credit

EESC250 FIELD GEOLOGY

This subject is taught and assessed on the basis of work completed during a 12 day field tutorial to view, describe and interpret well-exposed, coastal, rock sequences on the south coast of New South Wales. A variety of techniques are used for measurement of stratigraphic sections, description and interpretation of geological structures, detailed sedimentary and volcanic facies assessment, and the organisation and production of geological maps, field mapping exercises and reports.

SHORT COURSE: ADVANCES IN MOLLUSCAN BIOLOGY

Scientists at the Australian Museum in conjunction with the University of Wollongong will run one of the most comprehensive courses about molluscs and their biology you’ll find anywhere. The twelve day intensive course will be based in Wollongong in November 2007. The course is a 300-level (8cp) course and is available to undergraduate students, but postgraduate as well as local and overseas non-award participants (eg, amateur naturalists, environmental managers etc.) are also welcome. It will include laboratory and field studies as well as lectures and tutorials. For more information please visit: www.uow.edu.au/science/biol/molluscs

Pre-Semester Programs

The University of Wollongong, through the Faculties of Arts and Science, and the Woolyungah Indigenous Centre, have developed a special intensive field subject. The subject, ARTS201: Regional Australian Society & Environment: a Field Study, is offered in two modes:

> As a short course in the northern Winter or northern Summer breaks
> As an extra subject in addition to the 24 credit point full-time semester, or year long study program.

The program is offered twice a year for three weeks prior to the start of session, at two different locations. The subject will introduce students to a range of historical, political, social and cultural issues relevant to understanding contemporary Australian society. Both subjects integrate natural, cultural and social investigations in their relevant locations. These take place in both indigenous and non-indigenous aspects of environment and society. The spectrum of issues covered will include joint managed national parks, Aboriginal and eco-tourism, changing demography, rural restructuring, community governance, competing uses of land and natural resources, mining, endangered species, and fire management.

Background knowledge

This program would suit students who will be in their Junior year or in the final semester of their Sophomore year, with a background in an area related to Anthropology, Human Ecology, Environmental Studies, Geography, Indigenous Studies, or Sociology.

J anuary/February Program

Field Studies in the Illawarra Region & South Coast of New South Wales

This intensive field subject focuses on the New South Wales South Coast and High Country and incorporates ten days in the field in the South Coast and Snowy Mountain regions of NSW.

J uly Program

Field Studies in the top end of the Northern Territory, in partnership with Charles Darwin University.

The intensive fields subject focuses on the top end of the Northern Territory, and incorporates ten days in the field in the northern half on the Northern Territory.

**UOW session dates 2006**

**PRE-SEMESTER PROGRAM (AUTUMN)**
- Pre-semester orientation: 23 January
- Field trip & review at UOW: 28 January - 10 February

**AUTUMN SESSION**
- Orientation: 13 February - 17 February
- Lectures: 20 February - 13 April
- Mid-session recess: 14 April - 23 April
- Lectures: 24 April - 26 May
- Study recess: 29 May - 2 June
- Examinations: 3 June - 16 June
- Mid-year recess: 17 June - 16 July

**PRE-SEMESTER PROGRAM (SPRING)**
- Pre-semester orientation: 19 June
- Field trip & review at UOW: 24 June - 7 July

**SPRING SESSION**
- Orientation: 10 July - 14 July
- Lectures: 17 July - 22 September
- Mid-session recess: 25 September - 29 September
- Lectures: 3 October - 20 October
- Study recess: 23 October - 27 October
- Examinations: 28 October - 10 November

---

**UOW session dates 2007**

**PRE-SEMESTER PROGRAM (AUTUMN)**
- Pre-semester orientation: 29 January - 2 February
- Field trip & review at UOW: 3 February - 16 February

**AUTUMN SESSION**
- Orientation: 19 February - 23 February
- Lectures: 26 February - 5 April
- Mid-session recess: 6 April - 13 April
- Lectures: 16 April - 1 June
- Study recess: 4 June - 8 June
- Examinations: 9 June - 22 June
- Mid-year recess: 25 June - 18 July

**PRE-SEMESTER PROGRAM (SPRING)**
- Pre-semester orientation: 25 June - 29 June
- Field trip & review at UOW: 30 June - 13 July

**SPRING SESSION**
- Orientation: 16 July - 20 July
- Lectures: 23 July - 21 September
- Mid-session recess: 24 September - 30 September
- Lectures: 2 October - 26 October
- Study recess: 29 October - 2 November
- Examinations: 5 November - 16 November

*Pre-semester program dates for 2007 are estimates only at the time of publication.

**Important Application Dates**

**SEMESTER PROGRAMS**
- Autumn Session (February - June): 1 November
- Spring Session (July - November): 1 April

Late applications may be accepted if places are still available and if sufficient time is allowed for visa processing.

**PRE-SESSION PROGRAMS**
- January/February: 1 October
- June/July: 1 April

**STUDY PLANS DUE**
- Autumn Session (February - June): 30 November
- Spring Session (July - November): 1 May
