

# STEM TEACHER CONFERENCE 2016 CROSS POLLINATING THE CURRICULUM

The STEM Teacher conference will be back for 2016 providing more ideas for cross pollinating the curriculum from highly regarded practitioners in STEM education. We also hope Dr Karl Kruszelnicki will inspire you to pursue the wonders of the STEM disciplines.

**SPREAD THE WORD.**

All STEM teachers from middle primary to secondary school are welcome to attend. Numbers will be limited by the size of our venue.
